

DOWN YOUR WAY...

Google's new *Street View UK*, showing panoramic views of roads, went live last month, sparking national debate. Major cities, including Leicester, have been scanned. Now our spies tell us that the cameras were spotted in Husbands Bosworth on Friday, April 17th.

Objectors are worried about the impact the website could have on both security and privacy. They fear that the site will allow criminals to 'case' likely areas and assess easy targets from the comfort of their computer chairs.

Street View images feature the view from the public highway, including buildings, cars and people on the street when each photo was taken. Fans of the site believe it will bring benefits, including boosting tourism, with people able to see places that they will be visiting and helping home buyers see a property and area before travelling to a viewing.

Google defend the site by saying that it shows nothing that couldn't be seen by anyone driving down the street and stress that identifiable images such as faces and car registration numbers are automatically blurred out. Furthermore any contentious issues can be simply erased on request.

The jury is out - Keep an eye on the site to see how Bosworth shapes up!

ROADWORKS ON-LINE

Help with journey planning in Leicestershire is just the click of a mouse away! Comprehensive, user-friendly information on roadworks in Leicestershire is now available on the County Council's website.

Details are arranged by district and include links to motorway, trunk road and inner city roadworks.

Nicholas Rushton, Deputy Leader of the County Council said: "By simply logging on to the County Council's website, www.leics.gov.uk/roadworks or by calling 0116 3050001, people can find the latest roadworks information.

POWER SURGE...

Central Networks, which maintains the electricity supply network is applying for permission to re-site cabling in Honeypot Lane and part of Church Street. The work is necessary following problems with the overhead power lines and the company is seeking permission to install underground cabling.

Street lighting, presently fixed to the power supply poles is to be replaced by modern lamp standards.

LANE CHANGES...

The owners of the Church Lane site have once more withdrawn their application following Harborough planners' refusal to waive their right to levy a community fund charge on the development.

Meanwhile residents living near the site are worried about likely traffic problems, especially on-street parking. Government guidelines, under which the planners are supposed to work, restrict car spaces in an effort to force residents to abandon the car.

SPRING INTO PLAYTIME...

Play Rangers are coming to Bosworth to lead local children, young people and their families in a series of *FREE* open access play sessions aimed at 5 to 13 year olds.

Two District Council-sponsored Play Rangers will be on hand with activities and ideas for fun and games in the open air. The sessions will take place at the Playing Field, Kilworth Road, Husbands Bosworth from 3.30pm to 5.00pm on Tuesday afternoons until **June 9th**, except during half term week. The Play Rangers have recently finished a series of similar sessions in Ullesthorpe and

Broughton Astley which were extremely successful and enjoyed by young people of all ages from the areas. Children enjoyed making pom pom creatures, playing soft ball cricket, running an obstacle course, creating dens out of cardboard and sheeting, going on nature hunts around the play area, and juggling.

Drop-in any time during the session for fun outdoor play, games and activities. Come rain or shine the Play Rangers will be there! To find out more and tell us how you want to play contact them on 828282 or e-mail

Clearly this isn't working, as we have already seen in Bosworth.

A recent article in *The Times* suggested that some planning authorities are ready to ignore these guide lines and are encouraging developers to provide more spaces to remove the parked cars from the streets.

One resident of Mowsley Road suggests that the yard used to be an orchard where village children had free run in the past and asks that part of the development be made a public park.

playrangers@harborough.gov.uk

The Play Rangers are appropriately trained and police checked. However, they are not acting as parents in the same way as a closed, registered After School Club worker. Please note the play sessions are 'open-access', meaning children are free to come and go as they please, and to participate or not, during the sessions. We therefore do not provide a supervised or care environment. Children under 8 must be appropriately supervised.

POSTBAG

From Sam Caves, Jack Johnston, Steven Harwood, Cole Pedley, The Bosworth Boys

For the third year running we are entering as a team in the Kilworth Challenge. Training has begun and so too has fund raising, which brings us to the point of our letter. Last year the Kilworth Challenge raised £88,000 for local charities, including Dukes Barn and Over the Wall. We alone raised £1800 and finished in a respectable 12th place. We are convinced that we can smash those targets this year. However, we do need support from you in terms of sponsorship. We have placed a change bucket in the Post Office, The Bell Inn and the petrol station at North Kilworth - please donate generously. We look forward to representing our village once again, Thank you.

From Suzanne Dhillon, on behalf of the Committee

Congratulations and sincere thanks to the people of Husbands Bosworth and others who generously supported our 'Strictly Black & White Ball'. In excess of £3200 was raised, which far exceeded our expectations.

From Katharine Wright, Secretary of the Turville Memorial Hall Committee

The Turville Memorial Hall Committee would like to thank the Strictly Black & White Ball Committee for their extremely generous donation of £3,206 to the Turville Memorial Hall funds. A fantastic amount to raise from one evening and shows what a great community we have in Bosworth. A great deal of hard work obviously went into making the evening such a success. The committee is now looking forward to using the money to make improvements to the Village Hall, which the entire community can benefit from – more details will follow soon!

Editor's Note:

Due to incorrect information supplied, in last month's Bugle we reported that the victim of the recent burglary in Bell Lane was at the pub at the time of the incident. We now know that he was in fact visiting his father in the village. We are sorry for any embarrassment caused and are pleased to put the record straight.

CAR KEY THEFT

A burglary to a dwelling occurred in Coventry Road, Lutterworth in the early hours of the morning. Nothing was taken other than the keys to the family car, which was driven away.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

ANTI-TERRORIST HOTLINE

"Don't rely on others. If you suspect it report it." That's the message being promoted for the National Anti-Terrorist Hotline.

We need the help of the community. People are being encouraged to call if they have any concerns about suspicious activity. The Anti-Terrorist Hotline number is 0800 789 321. The confidential hotline is staffed around the clock by specialist counter-terrorism staff. Any information could be important and may be the final piece of the jigsaw. All information passed to the Anti-Terrorist Hotline is treated in the strictest of confidence and is thoroughly analysed and researched before, and if, any police action is taken.

SCAM WARNING

We have just heard of a new scam that we think should be highlighted. There have been a number of incidents recently in the Home Counties where drivers parked in a public car park have noticed a piece of paper stuck to their rear window. They have stopped to investigate what the piece of paper is, leaving their engine running as they get out. As soon as they have got out of the car someone has jumped out, pushed them out of the way and driven off. **BE AWARE OF THIS SCAM - DRIVE TO A SAFE PLACE BEFORE STOPPING TO INVESTIGATE.**
PASS THIS MESSAGE ON TO OTHERS.

SCREEN TEST...

To see if your present TV aerial is suitable for receiving digital TV there are some simple checks that you are able to do:

- **Select ITV (Usually Channel 3)**
- **Go to TEXT to bring up the Text menu**
- **Select Page 284 and follow the on-screen instructions.**

If your aerial is OK the tests will indicate this.

Don't be conned by unscrupulous aerial installers into having unnecessary work done!

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

WASTE NOT...

In a Leftover Recipe Competition sponsored by the Waste Management Team of Leicestershire County Council, Jennifer Rogers took first prize from over one hundred entries.

The competition required recipes to be designed using at least one item of leftover food. Jennifer designed a Lemon Almond Tart using leftover dried marzipan and bread crumbs.

At a presentation evening at Leicester College, the fifteen finalists' recipes were cooked by the College staff for the judging panel and for the finalists themselves to sample. The Lemon Almond Tart was judged to be the best overall out of the five eligible classes - starter, soup, main course, dessert and light bite.

R & B AND INDIAN EVENING

An exotic mix of Rhythm & Blues music and Indian cuisine is on the cards for a charity fund-raising event to be held in the Village Hall. The show, on Saturday, May 2nd starting at 7.30pm is in aid of the 1st Kilworth Scout Group, local respite hospice LOROS and School-Aid India, which raises funds for educational facilities in the poorer areas of India. Local group, Treacle Town, will be playing and there will be a bar. Tickets cost £15 per person to include genuine Indian and vegetarian fare. Call Indi on 880733 to book.

FOBS SAFARI SUPPER 2009

Do you fancy a night of good food and socialising, with a stroll around the village to work up an appetite?

....if so, come along to this year's FOBS Safari Supper on Saturday, June 20th and help to raise much-needed funds for the village's primary school.

It's a great way to meet new people in a friendly environment and an opportunity to show off your culinary skills if you so wish, by 'hosting' a course.

Tickets will be on sale at the beginning of May. £15 per person (with a discount for hosts).

This is always a popular event on the village calendars. Please contact Julie Dean on 881457 for more information and to book your place.

BONKERS ABOUT CONKERS!

The first Husbands Bosworth Conker Championship will take place on Sunday, October 11th on the village playing field starting at 9.00am. This promises to be a great day-out for the whole family...

Watch this space for further details!

STAR TALENT CONCERT

In aid of Loros

Saturday, July 4th, 7.30pm Village Hall

There will be 12 acts of local talent plus a local celebrity compere. It will be an evening of fun and surprises, including a raffle. Supper will be baked potatoes with a choice of fillings and salads. Bring your own drinks. Tickets are £7.50 per person for adults and £3.00 for accompanied children under 14 years of age. Tickets are available from Lorrie on 880281 or Penny on 881140. Come along and support our local talent!

COME DANCING...

Glenn Badham is starting a new evening dance class for beginners in the Village Hall at the end of May. Call Glenn on 881036 for details.

Mervyn casts his eye over everyday situations and comes up with hilarious slants on life. A show so funny that it should carry a government health warning! Call 575520 for tickets.

BOSWORTH WEATHER LOG

A weather summary by Lorrie Forman

With a total of 81½mm January 2009 was a soggy month, but this was only half as much rain as we had in January 2008. The few sprinkles of snow during January amounted to about 35mm in total. Temperatures went down to -7°C, the lowest since 2002.

February, by contrast, was unusually dry with only 16mm rain recorded - the driest since 1998. However, a total of 370mm of snow fell during the month making it the snowiest month since my records began in 1993.

March 2009 was the driest March since 2005 with only 46½mm falling during the month, of which 30mm dropped on Bosworth on the 3rd - the wettest day since June 2007!

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL

Home to Roost!

The infant fledglings of Husbands Bosworth School have now taken up residence in their new classroom. It is fantastic, and well worth the wait and hassle that ensued during the siting. We look forward to the next 60 years - which apparently is the life span of this mobile!

The Grand Official Opening is to be on Wednesday, May 6th at 10.30am. Please come along and join us. The afternoon of that day is to be an open afternoon when visitors can view the facilities in action.

School Sports Report

The battle of the competitions were fought in earnest just before the Easter break. A team of gallant footballers under the guidance of Danny Gill and encouraged by a group of vociferous staff and parents, played magnificently in the Syd East Football Tournament. The boys got through to the final just to be pipped at the post by Foxton, who managed to score a 'golden' goal during extra time. Well done to the Bosworth boys!

A mixed squad entered the Small Schools Swimming Gala at Market Harborough and were rewarded for their fine swimming by coming first. A fantastic effort all round and praise to all. So we begin the new term ready for all the challenges ahead, full of vigour and drive, so watch this space!

New School Head

At the end of March the Governors appointed a new head teacher, Mr. Matthew Bown. Matthew is currently acting-head at Market Harborough Church of England Primary School and will assume his duties at Bosworth in September.

FOBS – Bag2School Campaign

The first of this year's FOBS Bag2School collection will take place on the weekend of May, 30th and 31st. As before, we will be collecting second-hand clothing, bedding, soft toys, shoes and handbags, and will arrange for the distinctive "blue" Bag2School collection bag to be delivered through your letter box over the weekend of the May 16th and 17th.

We would very much like you to fill the bags and then leave them outside your door for collection on Saturday, May 30th. For those who are able to take their bags directly to the school, then they should be received no later than 8.30am on Tuesday, June 2nd.

Your assistance with this project is very much appreciated. Lets have a big push and see if we are able to break the 1000kg in this collection for the third time running!

Anyone wishing to volunteer to deliver or collect bags, or who requires further information, please contact either Kenny Anderson (Chair) on 880705 or Steve Blake (Treasurer) on 881045.

A note for your diary...

The autumn Bag2School collection will take place on Saturday, November 14th 2009.

SAFARI SUPPER REMINDER

Don't forget to make a date in your diary for the FOBS Safari Supper on Saturday, June 20th. A great way to meet new friends, renew old friendships, see parts of the village that you may not know and sample some fantastic food into the bargain! Call Julie on 881457 for more information.

BOSWORTH BELLES

The next meeting of the Bosworth Belles will be a walking treasure hunt around the village, which will be on Wednesday, May 20th followed by a meal at The Bell Inn. For more information and to book a place please call Sally Cartwright on 571074 or e-mail sally@mogador.wanadoo.co.uk

in place and work is expected to start shortly.

•The forthcoming Pavilion Quiz Night was

discussed at length. Gary and Sue Waterfield

had agreed to run the quiz. Fish and chips

would be provided by The Bell Inn.

•It was agreed to obtain quotes for a sign

for the pavilion, to be sited on the roadside

wall facing Kilworth Road.

•Cricket kit and other small items were

presently being stored on the benches in the

changing rooms. This was felt to be

unsatisfactory and it was agreed to seek

HISTORICAL SOCIETY

The last indoor meeting of the Historical

Society's winter programme was an

excellent talk by former Yeoman Warder of

the Tower of London, Joe David. Mr. David

took members on a tour of the Tower and

spoke of his lively and varied career.

The talk was illustrated with slides of the

pageant and ceremony surrounding life at

the Tower and the numerous dignitaries that

he has met over the years. With almost 2,000

years of history to the area he was able to

draw sketches of many of the famous and

infamous comings and goings at the Tower

and its role as a place of imprisonment,

torture and execution.

The meeting was preceded by the Annual General

Meeting of the Society at which the Chairman,

Charles Lauder, thanked the committee for their

work during the year. He specially thanked the

programme sub-committee for the range and

quality of the speakers. Highlights of the year

had been the talk on the Bruntingthorpe Vulcan

bomber project, the life and times of suffragette,

Alice Hawkins and The Market Harborough Film

Makers history of the Harboro Rubber Company.

Meetings already booked for next season include

a talk on the WWII top secret headquarters at

Beaumanor Hall, the pubs of Northamptonshire,

the Gunpowder Plot and the Film Makers will

be returning with their acclaimed history of the

Battle of Naseby.

In the meantime work carries on cataloguing the

archive documents and re-ordering the Archive

Room. New material is always welcomed,

especially photographs of the village and villagers.

Photographs can be copied and damaged ones

repaired or enhanced digitally and the originals

returned.

Later in the year, the Society is publishing a

transcription of the 1901 Census for Bosworth.

PARISH COUNCIL NEWS

Report of the Parish Council Open Meeting held on Tues., April 7th 2009

Five Council members and twelve visitors were present.

Apologies were received from Mrs. Day. Mr. Fletcher took the chair.

VISITORS' QUESTIONS

•The Chairman invited Brendan Coleman, Head of Street Services at Harborough District Council, to address the meeting. Mr. Coleman outlined his role in charge of street cleaning and waste management. The meeting heard that HDC was one of the foremost councils in England for the amount of waste, approximately 54%, that it directed to recycling. The next project to be rolled out would be the food waste recycling scheme in the late summer. The scheme had been trialed in the district and showed promising results for directing compostable household waste away from landfill. Concerns were raised about the roadside litter problems and, whilst verge clearing is a function of Leicestershire Highways, the district council undertook street cleaning within the village and liaised with LCC on fly-tipping and roadside waste problems. Mr. Coleman agreed to forward concerns raised at the meeting.

Problems with the early collection of refuse and recyclables was also discussed. Mr. Coleman agreed to remind the new contractors that roadside collections should not start before 7.00am. However, he added that the new contractors should be allowed a little time to 'bed' into the new scheme.

•The state of the village footways, especially the narrow parts of Bell Lane and the debris build-up in Green Lane was discussed. Clerk was asked to check if any improvement work to the footways was planned by Highways

and if Green Lane was to be included on the street cleaning schedule.

•Concerns about the proposed development off Church Lane were discussed. Residents living nearby were concerned that parking problems would be evident if additional parking space within the site wasn't included in the plans. Problems of over-development of the site, overlooking and traffic movements onto Church Lane and Honeypot Lane were also highlighted.

[Representatives of the local Police Beat Team arrived later in the meeting, due to work commitments]

•Councillors raised concerns about problems caused by nuisance parking, especially near junctions onto the High Street. PC David Venables agreed to visit the village and note problems such as parking too close to a junction, obstructing traffic and parking on the footway, which contravened traffic laws. Speeding problems were highlighted by members. PC Venables agreed to seek extra speed monitoring sessions on the approaches to the village so that the problem could be assessed.

Police coverage and presence in the area was discussed and it was agreed that police resources needed to be allocated to areas where problems occurred and incidents were necessarily categorised. It was agreed that Bosworth is thankfully subjected to less criminal activity than the major areas such as Fleckney and Broughton Astley and therefore sees less police presence. It was noted that Bosworth is normally policed from Lutterworth, as a sub-office of Market Harborough.

Report of the Parish Council Meeting, which followed the Parish Open Meeting.

MATTERS ARISING from the Minutes of the previous meeting:

•Parking problems on the Scout Hut car park were discussed. Following a site meeting in March it was suggested that signs indicating that the car park was for authorised parking only should be erected.

•Further quotes were to be obtained for the cheese stone interpretative signs.

•More information on the number of horses stabled around the village was needed before a representation could be made to Highways for Horse Warning signs to be erected. Clerk to make further inquiries.

CEMETERY

•Quotes were still being sought for re-pointing the rear of the wall.

•Council noted that one grass cut had been carried out.

ALLOTMENTS

•Clerk informed Council that one plot may have been relinquished as no response had been received from the tenant and no work had been carried out on it. If so, this would be re-let from the waiting list.

•Members agreed to provide a skip for the removal of allotment rubbish. The exact date and time would be notified directly to allotment holders near the time.

PLAYING FIELD

•A pest control contractor had been found and was tackling the mole problem on the lower pitch.

ACCOUNTS

Clerk presented the accounts, which were read and approved.

CORRESPONDENCE

•Rural Housing Scheme - Council heard that the progress of the Exception Site scheme was awaiting response from the land owners.

•Central Networks have indicated that following problems with the overhead electricity supply in Church Street and Honeypot Lane they were now seeking permission to re-route cables underground. Street lighting, presently fixed to the electricity poles, would be replaced by modern standard lamps.

ANY OTHER BUSINESS

•Council discussed the lack of progress on the Bosworth House development.

•Although members noted considerable improvement in the tidiness of the garage forecourt area it was felt that dangerous areas at the rear of the site should be addressed. It was suggested that the rear windows of the workshop should be boarded up and security fencing made more secure to prevent vandals accessing the site.

•The meeting heard that there had been a break-in at the sewage plant.

•Queries were raised about the surfacing of Ashacre Close, since it was understood that funding had been secured by Highways from the developer for the work to be done.

•Council noted that planning consent had been granted for the flood lighting project at the tennis courts and that this work was likely to commence soon.

NEXT MEETING

The Black and White Ball by Ann Saxton

*At the Black & White Ball in the Village Hall,
We were met with a sherry to make us merry.
The décor was magic, the dance demo fantastic
A delicious meal, was part of the deal.
With an auction of promises supported with bids,
From generous punters, raising a 1000 quid.
The team had worked for a very long time
To create this evening of good food and wine
The raffle was great with many a prize
Of which I won once, to my surprise.
There was merriment and laughter
When I kissed the bride, to find a her was a him!
With a stubbly chin.
A big thank you to all
For raising much-needed cash to update our hall.*
