

NEW MARINA PLANS REVEALED

The operators of Debdale Marina, near Kibworth, are proposing to build a new canal boat marina on the Grand Union Canal near North Kilworth. The proposals were outlined to local councillors at recent meetings of Husbands Bosworth and North Kilworth Parish Councils.

The site, adjacent to North Kilworth Wharf, straddles the boundaries of the two parishes, which, at this point, is marked by a feeder stream of the river Avon. Pontoon moorings for up to 250 boats would be provided and extensive landscaping of the water area and planting on the bankside are envisaged to improve the visual impact of the development.

Environmental assessments carried out on behalf of the developers have indicated that the proposed realignment of the stream, which runs through the site, would present negligible disruption to local wildlife and would have no impact on water movement or quality. Bunding, retaining banks and landscaping would be constructed from materials within the site and no material would leave the site.

The plan also outlines proposals to provide boat service and repair workshops, including boat lift-out facilities, hard-standing areas and boat building workshops. A boat sale and hire base, residential moorings and a chandlery outlet are also planned. Further enterprises envisaged in the proposals include a canal-side inn and restaurant with public access.

Access to the site would be via a single entrance off the A4304. Improvements to road traffic signing, highway markings and an extension of the restricted speed limited area are proposed in order to mitigate the effect of slow-moving traffic leaving and entering the site. A presentation by the developers will take place on Tuesday, November 17th from 6.30pm in North Kilworth Village Hall.

DOGGIE DO'S AND DON'TS...

With many newcomers in the village, more dog walkers are being seen. Unfortunately the village is not over-endowed with footpaths and bridleways and those that we do have are very well used.

Whilst it goes without saying that users of these paths should be able to do so without the constant fear of treading in dog poo, it is also worth noting that many of the established tracks are not legal rights of way. The canal towpath, for instance, is not a public right of way, but a permissive path - a subtle difference that requires British Waterways only to maintain it to a standard that satisfies their Duty of Care to users.

Other unofficial paths cross farmed land and unauthorised users are technically trespassing. The old railway line is privately owned, with much of it grazed by livestock, and no right of access exists. Recent incidents of uncontrolled dogs being exercised on private land not only raises the risk of injury to livestock but may also result in injury to the pets themselves.

If you need more information about public rights of way within the parish please call the Parish Clerk on 880910.

PLANS REJECTED AGAIN

Harborough planners have rejected the recent application to redevelop the Ridgeway Yarns site on the High Street.

The proposal, forwarded by Mr. Roy Holyland, to demolish the existing buildings and erect five dwellings on the site at 5, High Street, was refused because the planners felt that the size, bulk and position of the buildings within the development would have an overbearing impact on adjacent properties.

Planners also felt that the design of some aspects of the roof line to the rear of the roadside properties was contrived, out of character and likely to have a detrimental visual impact within the village's Conservation Area.

Parish Council members had objected to the overdevelopment of the site, queried separation distances between the proposed buildings and existing dwellings and envisaged overlooking problems. They called on the applicant to reduce the number of dwellings to four, which they felt could be better accommodated within the site and would reduce the parking requirements and traffic movements.

ALL CONKERING HEROES...

They came, they saw, they conkered!

Bosworth's first crack at holding a conker championship was a great success, with over sixty contestants doing battle. Local honour was at stake with several 'incomer' teams threatening Bosworth's best. However, the winner of the team heats was the village-based Pilates group's Conker Your Core team of Matt Clarke, Rob Harwood, Ruth Lowe and Chris Lydall. Villagers Mike Bromley and wife Elizabeth lifted the trophies for the Individual Mens and Individual Ladies titles.

In the Children's Competitions, Seb Fernandez-Smith from Sibbertoft won the under 8s trophy and Alex Garner took the 8 - 12 years title.

Thanks go to everyone who helped in organising the event: the stewards, the entertainers, stall-holders, the catering crew who beavered away in the background and all those who enjoyed conkering!

The contest will be back next year - you have been warned!

POSTBAG

From Penny Mattock & Lorrie Forman

We would like to thank everyone who has supported us in our Coast to Coast Walk in aid of Loros. Thanks go to people who helped in any way with the Talent Contest held earlier in the summer and also to friends and neighbours who sponsored us. Although we were raising money individually the amount raised together is in excess of £5,500. The walk itself was a wonderful experience, not only for the terrain and the views but also for the camaraderie and friendships made during the fortnight. We were told that it would be a 'life-changing' experience and it certainly was, not least for the fantastic feeling of achievement as we walked down to the sea at Robin Hood's Bay and then drank champagne on the beach!

Editor's Note: If you have sponsored either Penny or Lorrie and haven't yet coughed up please get in touch as soon as possible. If you didn't sponsor them but would like to donate to a good cause there's still time! Call Penny on 881140 or Lorrie on 880281.

From Kevin Hall, Bournemouth

Just wondering if anyone remembers me from 1976 - 1979. My parents ran the Cherry Tree and I attended Lutterworth Grammar School. My sister is Sara and brother Steve. My parents were Dennis and Joy (deceased). Seems a long time ago, er... it was!!

Editor's Note: If anyone would like to get in touch with Kevin I'll pass on your contact details.

RAINBOWS IN NEED...

Husbands Bosworth Rainbow Guides need new leader volunteers to enable the group to continue.

Rainbows is the youngest Girl-guiding group, for 5 to 7 year old girls. Leaders must be between 18 and 60, and will help the girls have fun, keep their Guiding Promise and follow the four Rainbow themes of Look, Learn, Laugh and Love.

So, if you have the energy, lots of enthusiasm and an hour or so each week to spare please get in touch with Alisa Harvey on 880853 or email: paharv@tiscali.co.uk

Remember - it's good to volunteer!

FIREWORKS ALERT

A large quantity of professional fireworks has been stolen from a secure store in the district. These fireworks are designed to be discharged by remote control and will be extremely dangerous if any attempt is made to light them by hand. If you have any information about these please contact Market Harborough police as soon as possible on 0116 222 2222.

WATCH WORD

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

DEYA Ltd. will commence delivery of *Yellow Pages* telephone directories in the Harborough District from the third week in October. Deliveries in our area are expected to be completed by the end of November..

To minimise the risk of identifying unoccupied addresses, delivery agents will be instructed, where possible, to leave directories out of view from the street.

However, it may be unavoidable, perhaps where no rear access is evident, that some directories will be left outside and the company is hoping to enlist the support of neighbours where possible.

Harborough Police would urge householders to keep an eye out for *Yellow Pages* left on the doorsteps of their neighbours - a clear indicator that nobody is in. Please move them out of sight until the neighbours return.

POLICE REVIEW

Harborough Police are presently reviewing their Neighbourhood Policing strategy. If you have any comments on local policing issues please contact Henry Whatley at henry.whatley@leicestershire.pnn.police.uk or call 0116 248 3875.

CRIME WATCH

- A stereo was stolen from a car parked on Green Lane in North Kilworth in an overnight raid.
- Diesel fuel was stolen from an industrial premises on Welford Road in Husbands Bosworth.
- A shed on South Kilworth Road in North Kilworth - nothing was stolen but extensive damage was caused.
- A satellite navigation device left inside a car parked overnight in Main Street in Mowsley was stolen.

OUTBUILDING ALERT

Harborough Police would urge all residents to ensure that their garages, sheds and outbuildings are included within their household alarm system. Casual burglars don't like alarms and will usually flee the scene when an alarm starts sounding.

QUARRY

At the recent meeting of the Quarry Liaison Group, Quarry Manager, Dean Godfrey, reported that the company was crushing aggregate on-site to reduce the amount of oversized rejected material. The bagging plant operated by GRS, which is partly owned by Lafarge Aggregates, was presently taking about 40% of the quarry output.

Traffic movements were put as 80% turning north towards Husbands Bosworth and 20% towards Welford. It was noted that the recent roadworks in Welford High Street had not disrupted traffic flows significantly as drivers successfully found alternative routes.

The landfill site remains closed but could open on a per-campaign basis if necessary.

The group heard that the proposed start date for opening up the northern extension site is now June 2010. Before work can start a bridleway crossing would have to be installed and new fencing erected.

The lack of in-fill material coming forward continues to be of concern. The shortfall may result in future applications to reinstate reclaimed land to lower levels or change designations from agriculture to amenity, wetland or woodland.

Security on the site has been stepped up following a number of recent incidents when diesel has been stolen and equipment tampered with. Local residents are asked to report any suspicious activity, especially at night time.

Current staffing on the site was quoted as 3 plant workers and 3 drivers at the GRS site and 5 workers on the quarry site.

NO TRICKS!

A campaign to reduce incidents of anti-social behaviour over the Halloween and Bonfire Night period is being launched by Leicestershire Constabulary in conjunction with Leicestershire Fire and Rescue Service and Harborough District Community Safety Partnership.

Halloween celebrations often involve young people taking part in 'Trick or Treat' activities. Unfortunately, in previous years, this has involved a minority of youngsters throwing eggs and flour at people and houses after the occupants decline to give them a treat.

Officers are working with shops in your area asking them to display posters stating that flour and eggs will not be sold to under-18's who are not accompanied by an adult in the run up to Halloween.

Posters which say 'No Thanks Trick or Treaters' are also being distributed to residents to display in their window if they do not wish to take part in Halloween.

Posters and leaflets are also being distributed ahead of Bonfire Night which remind residents and young people that the safest way to enjoy the night is to go to an organised event.

Police and Trading Standards will be monitoring shops which sell fireworks and targeting those suspected of selling to under-18s.

Harborough Police would urge all residents to report any incidents of anti-social behaviour on the run up to Halloween and Bonfire Night to the police on 0116 222 2222. This will allow them to provide the best possible response to any emerging issues.

IN AID OF CHILDREN IN NEED

ROSEMARY WITH YOUR LAMB!

Rosemary is a common herb containing powerful antioxidants in its leaves. It may be used to treat stomach upsets, flatulence and rheumatism, improve appetite and coronary blood flow.

For asthma its oils can unblock the airway constrictions caused by histamines. It can be used internally or externally *i.e.* in shampoos. Rosemary contains carnosic acid which prevents oxidation and can stop fats going rancid.

It also contains chemicals known as acetylcholinesterase inhibitors which stop acetylcholine (a brain chemical) from breaking down.

BYGONE BOSWORTH

The Historical Society's Periodical Journal

Whilst trawling through the Historical Society's Archive for information about the dedication of Husbands Bosworth's War Memorial in 1921 for the Leicestershire War Memorials Project, I came across a printed Order of Service for the dedication ceremony itself. This indicated that the unveiling was carried out by a Lt. Col. W V Faber MP. Assuming that this was Harborough's MP at the time I e-mailed Edward Garnier, our present MP, for some background information.

I was quite surprised when Mr. Garnier replied that the Leicester South (now Harborough) MP in 1921 was in fact Major Sir Keith Fraser, and that whilst Lt. Col. Faber *had* been an MP until 1918, that was in Hampshire. It's to be assumed that whoever printed the service sheets had made a mistake and nobody saw the need to question it.

Faber certainly had strong connections with Bosworth. He hunted locally in the season. His wife, whom he married in 1915, when he was 58, was Mrs. Theresa Byass, (of the Gonzales-Byass sherry dynasty) who at the time was living at Bosworth House, Berridges Lane. After their marriage they set up home at Welford Grange, Welford. One can only wonder if the real Leicester South MP was miffed at being upstaged by an outsider!

ACTIVITY GROUPS

HISTORICAL SOCIETY

Historical Society members had a glimpse into the secret life of the Second World War intelligence gathering units at their recent meeting when local historian, Mike Coleman, gave an illustrated talk about Bletchley Park and Beaumanor Hall.

The complexities of the information gathering operations and the dedication of the operators who deciphered the material that was received were clearly evident in Mike's presentation. Amongst the mind-numbing hard work involved in making sense of the German High Command's coded and cryptic messages, emerged many tales of incredible good luck that undoubtedly shortened the war and saved many thousands of lives.

Much of the infrastructure, including the original prefabricated wooden huts, the later blast-proof communication buildings and disguised antennae bases at both Bletchley and Beaumanor, much now with listed building status, is still evident.

The next meeting will be on Wednesday, November 4th at 7.30pm when Sally Henshaw will unfurl the tale of the Gunpowder Plot and its local connections. For more information please call 880081.

TENNIS CLUB

The resurfacing and lighting are now completed and the court is back in use.

Tokens for the lighting may be purchased from committee members. See membership cards for contact numbers. Tokens, in the form of single-use cards, cost £4 each and last for 1 hour.

If you have any unwanted tennis rackets, particularly junior ones, please contact Alan Lister 881391 as he will be coaching the local schoolchildren again.

It has been suggested that Tuesday evenings become an extra club night as some members play badminton on Mondays and Thursdays. *Look out in next month's Bugle for a festive lunch to be held in December.*

PLAYING FIELD

At the recent meeting of the Playing Field Committee it was agreed to go ahead with ordering a sign for the pavilion, which would be fixed on the roadside-facing wall.

Quotes are to be arranged for laying a concrete path around the perimeter of the pavilion to act as a 'stand-off' and to protect the drain inspection covers. After this work is completed it was suggested that the gravel in the car park should be topped up.

In reports of sporting activities during the season it was noted that the Cricket Club had enjoyed a successful season, finishing midway in the local league.

The Rounders Club had an excellent season again, winning the Knock-Out Cup, the Division 1 Trophy and the Mixed Tournament.

Work on the court lighting project and resurfacing of Number One Court had curtailed the Tennis Club's activities but this was now completed.

It was agreed that no contribution would be requested from the clubs using the playing field in the next financial year.

PARISH COUNCIL NEWS

Report of the Parish Council meeting held on Tuesday, October 6th 2009.

Present: Four Council Members, District Councillor Brian Smith, 4 members of the public, Rural Housing Officer, Richard Windley, East Midlands Housing representative April Knapp and HDC Housing Strategy Officer, Raj Patel.

The Chairman invited members of the public to address the meeting before routine business commenced.

•Church Lane residents voiced their disappointment that no HDC officer was at the meeting to discuss HDC's stance on the Church Lane development. HDC's handling of the planning application was discussed at length. Traffic queries were reaffirmed. Council agreed to pursue the matter further.

•The promoters of a new boatyard and marina complex adjacent to the canal at North Kilworth gave a presentation outlining their proposals. Maps and plans were available for perusal and specific queries were answered.

•The promoters of the Rural Housing Scheme updated Council of the progress of the scheme. All the suggested sites had been ruled out but HDC planners had identified a potential site. The site was being investigated and the landowner's views were being sought.

Minutes of the Last Meeting

Minutes were approved and signed as a true and correct record of what took place.

Matters Arising

- Cherry Tree close development - no satisfactory response from the owner. Clerk asked to refer the matter to the Health & Safety Executive.
- The cost of the cheese-press stones sign on the Old Green was considered too expensive and Council agreed to defer a decision for the time being.
- No response from the householder on Bell Lane to the request to trim back the overhanging vegetation. Clerk asked to refer the matter to Highways.
- Council still awaiting clarification on the ratio of councillors to population.
- No action from HDC on the TPO requests. Clerk to contact HDC again.
- Repairs and modifications to the Play Area equipment, as suggested by the RoSPA report had been carried out.

Cemetery

- A water-table test borehole had now been sunk in the cemetery extension.
- It was noted that the gate lock was broken.
- The contractors had sprayed the paths to clear the weed growth before the winter.
- Council agreed to seek quotations for further repairs to the cemetery walls.

Playing Field

•Members agreed that a letter be sent to all residents on Welford Road reaffirming Council's right to close unauthorised accesses onto the Playing Field.

Allotments

•Both previously advertised vacant plots now let. Waiting list now set up.

Traffic Issues

•Council heard that 20% of village residents would still need to back a Speed Check Campaign before it could be implemented.

Correspondence

•Queries raised about insurance cover for Bosworth Festival or similar events seemed favourable.

Any Other Business

Updating Council's Standing Orders, Financial Regulations and Risk Assessment was deferred until full Council could be convened.

Next Meeting

The next meeting of Husbands Bosworth Parish Council will be on Tuesday, November 3rd at 7.30pm in the Committee Room of the Village Hall.

CHRISTMAS FESTIVAL

All Saints Christmas Festival will take place on Saturday, November 28th and Sunday, 29th from 10.00am to 5.00pm.

Entry is £2.50 per person; accompanied children under 14 FREE.

Light refreshments, lunches, teas and coffee will be available in church. There will be the usual mix of musical entertainment throughout the weekend and competitions for children. Entry forms for exhibitors are distributed with this issue of the *Bugle*. Remember, entries can be of any subject relating to the Festive Season. Entries are invited from individuals, clubs, activity groups or businesses.

Please come along and support the church's main fundraising event of the year. The weekend will close with an Advent Service at 5.00pm on Sunday 29th.
