

## WASTE DRIVE

**F**ollowing a series of successful trials in Lutterworth and Broughton Astley over the past two years, Harborough District Council is now wheeling out food waste collection throughout the whole district.

You should by now have received the special caddies and bins that will enable you to collect kitchen waste for recycling. Harborough is in the forefront of recycling with almost 60% of collected household waste being directed away from landfill. Food waste collection will remove a further 3,500 tonnes of compostable waste.

Collections of food waste will start in Husbands Bosworth on Friday, May 7<sup>th</sup> and continue on a weekly basis alongside the regular paper, glass and can kerbside collections.

The aim is to work with residents to help reduce the production of greenhouse gases which cause environmental problems, reduce the amount of black bin waste going to landfill and get people to reduce the amount of food they waste.

Food waste which can go into the caddies:

- *Fruit, vegetables, meat and fish*
- *Cooked and uncooked food, leftover food*
- *Bones and pet food*
- *Dairy products and eggshells*
- *Bread, pasta, cereal, rice*
- *Tea bags and coffee grounds*

In the UK almost a third of the food we buy is thrown away. Some of this is rind, skins, peelings, crusts, leaf, spoiled material and leftovers but at least half is good food which could have been eaten. Food which breaks down in landfill can produce methane, one of the most potent greenhouse gases, which may contribute to climate change.

A Harborough District Council spokesman said: "We already have an enviable recycling rate and this initiative will improve our performance even further. Our residents have already shown they are keen to recycle as much as possible and we are sure they will get behind this scheme to keep us amongst the best recyclers in the UK."

If you have not received your bins call Harborough on 828282.

### BOSWORTH FESTIVAL

**S**tall space is now being allocated for the Bosworth Festival 2010, which is on Saturday, June 26<sup>th</sup> in Bosworth Park. Priority will be given to local groups. If you organise a local group and would like this opportunity to promote your activity or raise funds, book a space now. Call Jackie on 880910 for more information or e-mail festival@husbandsbosworth.info for a booking form.

### ICE WARNING

**A** recent letter from a thankful *Leicester Mercury* reader reminds us of the importance of ICE.

ICE stands for *In Case of Emergency* and if you have ICE, or HOME listed in your mobile phone's directory along with your home contact number anyone finding your phone can call your home in an emergency or simply get in touch to tell you that you have lost your phone!

### SMART MOVE

**T**he local police beat team is running a Smart Water awareness session and beat surgery in conjunction with the Parish Council, at the Village Hall on Saturday, May 8<sup>th</sup> from 12.00noon to 4.00pm. Come along and air your views on any parish matter, discuss home security and any police issues with the local beat team and see Smart Water technology in action.

Smart Water is a property security marking solution, which contains a unique code that is traceable to the owner. The solution also contains an ultraviolet marker that can be detected by special equipment held by all police forces. Items then can be scanned for their code and their true owner identified through the Smart Water database. Thieves dislike Smart Water since traces of the solution on them can link them and the stolen items directly to the crime scene. At the presentation Lutterworth police will be offering Smart Water packs, sufficient to mark about 50 items, at the cost price of approximately £17.50 each.

### QUARRY SITE TARGETED

**L**afarge Aggregates Ltd., the operators of Husbands Bosworth Quarry are stepping up security at the site on Welford Road following a spate of thefts of equipment in recent months. In a recent incident 1½ km of heavy duty electric cabling, worth over £15,000 was stolen in an overnight raid. Less than 6 months ago thieves entered the premises by driving over adjacent farmland and stole cabling worth £12,000. The company have now installed the replacement cabling underground and have mounted 24-hour security patrols to deter further criminal activity. Police believe that the criminals would have needed a large vehicle and lifting equipment to remove the cabling and are appealing for any information.

Over Easter the site was targeted again and an excavator worth over £60,000 was stolen. Call Market Harborough police on 0116 222 2222 if you have any information.

## POSTBAG

*From Claire Kennedy, Village Hall Committee*

As part of the ongoing improvements to the Village Hall, new gravel was laid to enhance the surface around the building. It was a big job to spread the gravel so many thanks to everyone who came armed with their spades and rakes to help, with a special mention to Kenny & Nic Anderson, Pandora & Joshua Sangster, Glenn Badham, Penny Mattock, Helen Wood, Simon & Katharine Wright, Colleen Wood, Simon Kennedy and all the many little helpers. A big thank you also goes to Darren Jones and Steve Dorman who gave up three hours of their time in the pouring rain and to Ed Smith for flattening the surface with his tractor. We hope you find the new surface an improvement.

*From Nick & Karen Raven, Church Lane.*

It was very disappointing to witness how few people from the village attended the Parish Council Open meeting when several officials came to inform us of their own particular aspects of work. It was a very congenial evening, made more so by the generous addition of nibbles and wine as it was my birthday! Thank you to the Parish Council and to the officials who attended.

*From Mark Ashford, Church Street*

A big thank you to all who supported the Vida Guitar Quartet's concert in the Village Hall. It was great to see so many local faces and I can only apologise for those who didn't manage to get tickets, as we sold out a good two weeks before the event. The quartet went on to play at festivals in Frome, Exeter and in Gevelsberg, Germany - all of which were a great success. I very much hope to put on other events like this in the not too distant future.

*From Nick & Karen Raven, Church Lane*

We would like, through this page, to thank Karen Brett, members of her family and her lovely staff for all their care and attention given to my mother during her stay of just over 2½ years at Brook House Care Home. She passed away in February, aged 90. During this time we were helped to understand dementia and Alzheimer's and how to accept the ongoing affects which were to beset my mother. However we did have some interesting and also hilarious conversations with the ladies and gentlemen in Brook House - a compensation for the very sad situation.

Karen and her staff, with all their experience and skills, are to be congratulated.

*From Cole Pedley of Highcroft*

My friends, Jack Johnston of Honeypot Lane, Sam Caves of Berridges Lane, Steve Harwood of Butt Lane and myself are doing the Kilworth Challenge again this year - our fourth year of competing. We are putting a pot for donations in the Post Office in Husbands Bosworth.

*Editor's Note: Last year Cole and his friends raised over £2,000 and came 16<sup>th</sup> overall out of 42 teams. Kilworth Challenge weekend is 29<sup>th</sup>/30<sup>th</sup> May.*

## TURVILLE MEMORIAL HALL

The village hall committee was delighted to receive a donation from Lafarge towards the cost of replacing the gravel in the car park over the Easter holiday.

Sixty tonnes of gravel were delivered by Lafarge and spread by a willing band of volunteer villagers. The car park now looks much smarter, giving more room for parking and removing the muddy areas which had formed over the winter.

The committee wishes to thank Lafarge for their kind donation and hope everyone will find the car park much improved.

## SPEED WARNING

Residents living in the Hunters Close and Ashacre Close areas of the village are concerned at the speed of vehicles using the closes. Recently two cats have been killed and another seriously injured.

There a number of young children now living in the new developments, playing and riding bikes and scooters in the area and parents are concerned that they may be at risk from inconsiderate and speeding motorists. There is no need to speed - these are short, narrow *cul de sacs*. Before there is an accident please keep your speed down and be especially mindful of pets.

The local police beat team are aware of the problem and will be monitoring the situation.

## LOCAL NEWS IN BRIEF

■ There will be a regular outdoor market on The Square, **Market Harborough** on the third Thursday of each month.

■ **Welford** Church Fête will take place on Saturday, June 26<sup>th</sup>.

■ There will be a Beer Festival at **Sibbertoft** Reading Room on Saturday, June 19<sup>th</sup> from 1.00pm to 6.00pm. Hog roast, morris dancers, tug o' war, live band and bouncy castle for the kids. £5 adults, children free.

## DICK BURTON

*Carole Lister remembers former villager, Dick Burton, who died recently.*

Dick and Alena moved to Highcroft, Husbands Bosworth in the early 1970s with their two young children, Nick and Karen. They soon became integrated into village life, joining the Historical Society when it was formed and starting up a Table Tennis Club for youngsters. Dick became a key member of the village Drama Group - usually taking the part of the Dame or Ugly Sister! Dick was a Nuclear Physicist and worked in Whetstone, but his job took him to Macclesfield in about 1985.

They both kept up a keen interest in our village, receiving the *Bugle* every month and visiting various festivals, shows and some Historical Society meetings. They kept in touch with many villagers.

Dick kept up his acting and joined Macclesfield Amateur Dramatics, becoming their treasurer and playing many major dramatic roles.

Sadly he died on March 13<sup>th</sup> - just a few days before his 81<sup>st</sup> birthday.

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL

## Report by Matthew Bown, Headteacher

We have now entered our final term of this academic year. We are looking forward to spending more time outside and enjoying our school field. Our school football team will be busy this term playing many matches, both home and away, as part of the primary school league.

The children will also be starting to develop a nature and pond area on the field, weather permitting. We hope to brighten up this area with the children planting flowers. If anybody has any garden equipment that they no longer use and would like to donate to us we would very much appreciate it. We are also collecting both Tesco and Sainsbury's schools vouchers and any contributions would be very much appreciated.

*It is with great sadness that we note the passing of our dear friend, Dennis Pepperill. Dennis was a long time and stalwart supporter of the Historical Society, often beavering away quietly in the background. At meetings he was always first man in and last man out, making sure that the guest speaker was up and running on time, setting up the hall and, most importantly, priming the tea urn. # PARISH COUNCIL NEWS

## Report of the Parish Council Open Meeting held on Tuesday, April 6<sup>th</sup>, 2010.

**Present:** Full Council, District Councillor Brian Smith, HDC Community Liaison - Peter Rowbotham, MH Police Community Co-ordinator - Henry Whatley, PCSO Ray Wells, East Midlands Housing - April Knapp. Three members of the public.

The Chairman invited the speakers to address the meeting. Items discussed included the imminent food waste collection scheme, roadside litter picking, crime figures, Neighbourhood Watch and the progress of the Rural Exception Site housing scheme.

The Open Meeting closed and was followed by an Ordinary Meeting of the Parish Council.

### Cemetery

Council continues to monitor the water levels in the borehole. It was noted that the area was flooded briefly when the snow melted but that the water level subsided within 24 hours. It was agreed to have a site meeting before the next Parish Council meeting to assess the situation.

### Playing Field

Clerk informed Council that there was evidence of mole activity on the playing field. It was agreed to consult with the Cricket Club regarding any action.

### Play Area

A large pot-hole had appeared in the Play Area car park beside the concreted infill. Clerk to contact the Scout Leader to ask that this be rectified.

### Sports Pavilion

Work to lay a protective pathway around the pavilion and a walkway from the roadside hand-gate to the pavilion would be carried out now that the weather has improved. Funding for this work was in place.

### Allotments

Four plots had been relinquished. Clerk agreed to contact those on the waiting list to offer the plots. It was agreed to seek quotes for grading the cemetery-side access track.

### Traffic Issues

■ Council agreed to seek more information with regard to applying for a vehicle activated speed sign to replace the High Street speed camera, which was removed in November. It was noted that Bosworth is the only village on the A4304 corridor without active control speed measures.

■ Grit bins have been ordered for The Old Green and Butt Lane/Lammas Close.

### Neighbourhood Watch

■ Council approved the appointment of Brian and Frances Smith as new NW co-ordinators for Butt Lane and Lammas Close.

### Rural Exception Housing Scheme

Council members endorsed the Welford Road site, which HDC planning officers had identified as the most suitable site that was available. East Midlands Housing will arrange to assess the viability of the site.

### Any other business

■ It was agreed to conduct a review of the allotment rents and the letting agreement in September.

■ Council noted less roadside litter following HDC's assurances of increased litter picking operations.

■ Council had been approached by Lutterworth police, who wished to hold a Smart Water security marking presentation in the village. It was suggested that this could be combined with a Parish Council surgery.

■ Broken and dangerous road surfaces were noted in Berridges Lane, Leicester Road and Welford Road. Clerk was asked to bring these problems to the attention of Highways.

■ Complaints had been received regarding vehicles being parked on roadside grass verges resulting in damage to the surfaces in Berridges Lane, Welford Road and Kilworth Road. Clerk to consult with Highways regarding the installation of bollards.

### Next meeting

The next meeting of the Parish Council will be the Annual General Meeting on Tuesday, May 4<sup>th</sup> at 7.30pm in the Village Hall.
