### ROAD BLOCK

Leicestershire County Council Highways Department are warning travellers to expect delays whilst essential carriageway repairs and resurfacing work is carried out. The roads affected are the A4304 Station Road, North Kilworth and Kilworth Road, Husbands Bosworth and Station Road, Husbands Bosworth. To enable the work to be carried out safely and as quickly as possible, the affected roads will be closed to traffic whilst the work is carried out.

Business and domestic properties likely to be affected by the work will be consulted before work commences and arrangements will be made to reduce any disruption to a minimum. It is anticipated that works will commence after June 14<sup>th</sup> and last for one week. During the closure the diversion route for A4304 traffic will be: B5414 Pincet Lane, A5199 Leicester Road, A5199 Berridges Lane, A4304 Kilworth Road and vice versa. The diversion route for Station Road, Husbands Bosworth will be: A5199 Welford Road, A5199 Bell Lane, A5199 Leicester Road, B5414 Pincet Lane and vice versa. For further information contact Senior Technician Les Ebrey on 0116 305 2202.

### VILLAGE VOICE

Harboroughfm radio station, with the help of Lottery for All funding, is hosting a 'Village Voices' programme from Husbands Bosworth.

The recording will take place on Wednesday, June 23<sup>rd</sup> from 7.30pm to 10.00pm in the Church Hall, Honeypot Lane and all residents of the village are invited to attend. Harboroughfm are interested in hearing about all aspects of village life, both past and present, from wildlife, history, significant structures, organisations and charities to local talent, farming, sport and even mystery and intrigue. Free refreshments available.

The programme is open to all villagers and offers an opportunity for you to have your say on what you feel is good, and not so good, about the local community. The recording will be edited, and broadcast at a later date. Young people are especially welcome, but under 18s will need parental consent for their voice to be broadcast. For more information go to the Harboroughfm website and click on 'Village Voices', e-mail: news@harboroughfm.co.uk or call 464666.

### NOT SO SMART...

It was disappointing that few villagers turned up to the SmartWater awareness session I run recently in the Village Hall by the local police beat team and the Parish Council. Criminals hate SmartWater... Its forensic coding can identify stolen items, link those items back to their true owners and link criminals to the crime scene. Statistics show that SmartWater protected areas typically have drastically reduced crime rates for break-ins and property theft.

The Parish Council is actively backing the local police beat team in promoting SmartWater use. There will be another awareness session, at which SmartWater domestic-use kits will be on sale at the cost price of £15 plus VAT, in the autumn. Be smart and come along...

### POOR COMPOSITION...

**T**he mauve-coloured twenty pound notes with composer Sir Edward Elgar on the reverse, (treasured example below from the Bugle kitty) will cease to be legal tender after June 30<sup>th</sup>. Shops can refuse to accept these old notes, which were first issued in 1999, after this date. Most banks or building societies, however, should still be willing to accept them as deposits or change them after this date.

## POSTBAG

From Steve Haywood, London

Maybe when residents of the attractive Leicestershire village of Husbands Bosworth get back home from wherever they work, they are so frazzled from their commuting they can't face the idea of encountering strangers on the streets. But I'm not sure that view would be shared by the landlord of the Bell Inn, or by the owners of the new supermarket which is planned on the main street next to the existing shop and post office.

One thing's for certain though, want us or not, the village won't be getting many visitors from the canal unless things improve. South of Husbands Bosworth tunnel, banking work by British Waterways has left more than a mile of dangerously deep mud along the towpath, precluding mooring. Stopping at the more convenient north end of the tunnel is little better, for you take your life in your hands pulling up against high earth banks that are crumbling into the water even as you hammer in your pins.

And then there's what could be the pleasant half-mile walk to the main street through the fields along a public footpath. Except it's not pleasant at all. It's deep with mud and impassable unless you're wearing wellies. If that weren't enough, what could be an attractive entrance to the village is besmirched by a graffiti-covered wall, thick with football slogans. Do the residents of Husbands Bosworth want visitors from the canal? Do they care?

*Editor's Note: This article appeared in a recent issue of Canal Boat magazine and is reproduced by permission of the author.*

From Nick Raven, Church Lane

As most of the village is aware that, a short time ago, volunteers paced the streets of Husbands Bosworth knocking on doors to raise money for the RNLI. I am delighted to state that the collection from our village totalled £306.08. The total amount collected for the whole of this area was a magnificent £10,427.47. A big thank you to all the collectors and to all those who gave so willingly to this worthwhile cause.

From Heather Lydall, Cherry Tree Close.

June 27<sup>th</sup> is fast approaching and training is well underway for the Leicester to Leamington 35 mile sponsored walk to raise money for Guide Dogs, I would like to thank my friends in the village who have already sponsored me and to remind others there is still room on my sponsor form.

Please catch me in the playground or ring 880766 to add to my sponsor form.

There have been more than 25 reported thefts of domestic heating oil in the east of the county and Rutland in recent weeks. Market Harborough and Lutterworth police would urge householders to keep an eye on their fuel tanks, especially now we are into summer when use is lower and any loss may go un-noticed. Consider fitting a tank low-level alarm.

# BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

## LOW-DOWN ON LIGHTING

The County Council is implementing a programme of changes to street lighting across the county during June. Around 1,500 street lamps on stretches of rural road will be permanently switched off to cut energy bills and pollution. In addition, many lights in residential areas will be switched off between 12.00 midnight and 5.30am. Villages affected in Harborough District include Lubenham, Dunton Bassett and Smeeton Westerby.

This is the first phase of a four year plan which will reduce carbon emissions from street lighting by around 25% and save up to £700,000 a year. Not every light will be switched off. Features such as mini-roundabouts, crossings and speed bumps will remain lit and lighting will be retained at most junctions.

Lights permanently deactivated include those on the B4144, between Narborough towards Croft, the A50 Groby bypass, the Blaby bypass and parts of the A47.

For more information, visit the County Council website [www.leics.gov.uk/lighting](http://www.leics.gov.uk/lighting), or contact the customer service centre on 0116 305 0001.

## LOCAL NEWS IN BRIEF

■ The first week of the food waste collection service saw a total of 45.58 tonnes of food waste collected, across **Harborough** district; an average of 1.3kgs per household.

■ A mechanical and biological waste treatment facility to treat and sort black-bag waste is being built at the Lafarge Aggregates site at **Cotesbach**. The plant is set to open later this year. The waste will be sorted to remove any recyclable material, with the rest being composted in an enclosed environment. Some of the inert material produced will be used to help restore the adjacent landfill site.

## CANAL SHOW

The canal-based Mikron Travelling Theatre Company will be bringing their inimitable blend of music and mime to The Wharf Inn, Welford Wharf on Wednesday, June 2<sup>nd</sup>.

The company's new production, "*Striking the Balance*" is set against the turbulent backdrop of the 1960's, 70's and 80's, when three working women take on the might of a discriminatory establishment. Fast-paced, inventive and a whole lot of fun, Mikron's twist of the tale takes you on a moving journey, introducing a host of colourful characters - including special guest appearances from Labour's Red Queen and the Iron Lady herself!

The show starts at 8.00pm but be there early to be sure of a seat.

*Mikron, has been touring the English canal system, clubs and village halls throughout the country for the past 39 years. Mikron is the little touring theatre company with the reputation for tackling large scale subjects and turning history into vivid and dramatic entertainment. Their shows never cease to impress with their quality, musical ability, energy and sheer fun. This is outdoor theatre as it should be - in amongst the audience and using the natural backdrop. There is no set fee but a donation of £10 per person is requested.*

## SAFETY FIRST

**Leicestershire Trading Standards are warning of the dangers of window blind cords. Three children have been killed by loose cords this year. Hook back, or shorten cord loops and move away furniture that older children may climb on.**

## STEP FORWARD FOR FOOTPATHS

The County Council, which oversees the maintenance of footpaths throughout the county is asking local communities to help them pinpoint areas for action. Walkers, residents and Parish Councils are being urged to report path problems such as missing or damaged signs, overgrown paths, access problems and paths blocked by crops within Leicestershire. Problems can be reported on-line at [www.leics.gov.uk/reportaproblem](http://www.leics.gov.uk/reportaproblem) or by phone on 0116 3050001.

Some villages in the county have formed walking groups that oversee their local footpath network, promote walking activities locally, report problems and organise volunteer work-parties, under the guidance of the County Council, to carry out repairs and maintenance. E-mail [footpaths@leics.gov.uk](mailto:footpaths@leics.gov.uk) to register an interest in community footpath and walks initiatives.

The County Council is also seeking new members for the Local Access Forum - an independent consultation body that advises on access issues within the county. Members include walkers, farmers, and conservation and heritage groups. If you would like to join the group and be involved in the decision-making process please call 0116 3057086 or e-mail: [accessforum@leics.gov.uk](mailto:accessforum@leics.gov.uk)

## SUBSCRIBER LINE

Former villager and postal subscriber, Richard Bird, is obviously easily pleased! He tells us that few cheques are more willingly written than the one for his *Bugle* subscription renewal...

If you know anyone who may be interested in what goes off in Bosworth, even though they no longer live here, why not treat them to a *Bugle* postal subscription?

The current rate is a poultry £7.50 for 12 issues. Call Lorrie on 880281 or e-mail: [l.forman@talk21.com](mailto:l.forman@talk21.com)

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL

May has been a very busy month. The children have started to clear the pond area and we are now thinking about what to plant and where. Developing our school grounds is a large part of the school improvement plan this year, as well as the children's work. Just a reminder that if you have any garden tools, plants, flowers or shrubs that you would like to donate to the school we would appreciate it.

Our school sports teams have been doing very well this term. At the end of April our Year 5/6 swimming team came third in the annual swimming gala. During May our Year 3/4 rounders team came runners-up in the local school rounders tournament. We are also now well into our football season and I am very proud of the determination and positive attitude of our Year 5/6 football team. Thank you to all the children and adults for your support in these sporting events.

Matthew Bown, Headteacher

## ACTIVITY GROUPS

### HISTORICAL SOCIETY

Members and visitors who attended the May meeting of the Society enjoyed a very interesting, informal evening. Melvyn Forman presented a slideshow of photographs of bygone Bosworth, giving a fascinating insight of how the village used to be. Several members added snippets of information - an excellent evening to round off the Society's year of talks.

\*\*\*\*\*

The coach trip to Bletchley Park will leave from outside the High Street Garage at 9.30am on Sunday, June 13<sup>th</sup>. At the time of going to press there are still some seats on the coach at £10. Please call Heather on 880165 to check availability. Entry to Bletchley Park is £10 (£8.50 on-line)

\*\*\*\*\*

The Historical Society invites members and friends to the Annual Garden Party on Sunday, June 27<sup>th</sup> from 6.00pm to 8.00pm in the Rectory Paddock. Admission is £4 per person. Call Heather on 880165 to book so that catering arrangements can be made.

### VILLAGE LUNCH

The next Village Lunch will be on Thursday, June 24<sup>th</sup> at Kilworth Springs Golf Club. Diners are asked to meet in the bar at 12.30pm as usual. Call Janice on 880668 at least 48hrs before to book your place or to arrange transport.

### NO STRINGS BADMINTON

Do you fancy a game or two of badminton - with no strings attached? No Strings Badminton is being offered by Harborough District Council's *Active Together* team as a relaxed and flexible way to play the sport.

It is aimed at people who enjoy playing badminton, but don't want to commit to joining a club, those who would welcome extra sessions or those who struggle to find the right partner to play against.

Sessions cost £2 a time, and there is no need to book. Coaches will be on hand to give guidance and tips to improve your game.

The sessions take place at Harborough Leisure Centre on Thursdays from 7.00pm-9.00pm and Sundays from 10.00am-11.00am, and at Lutterworth Sports Centre on Mondays from 6.00pm-7.00pm and Saturdays from 10.00am-11.00am.

For more information about *Active Together*, visit [www.harborough.gov.uk/activetogether](http://www.harborough.gov.uk/activetogether) or email: [activetogether@harborough.gov.uk](mailto:activetogether@harborough.gov.uk) or call 828282.

### TENNIS CLUB

The enrolment evening was very successful and attracted a number of new members. We hope they will enjoy playing on the newly re-surfaced courts.

It was disappointing that there was only one member of the club at the AGM, as we would welcome some input from playing members. The Wimbledon tickets were allocated and we had just the right number for those who applied.

The committee were thanked for their work throughout the year and all were willing to stand again for the coming season.

We hope that the newly installed lighting will prove useful when we get those warm evenings for playing!!

If you wish to join the club please contact the secretary Neil Harris on 881730 or the treasurer Mike Pennington on 880455.

For any further information contact the chairman Jennifer Rogers on 880401.

Coaching assistants required! If you are interested in helping with the coaching sessions for youngsters please contact Alan Lister on 881391.

Members should consult the noticeboard on the courts for up-to-date club news.

Looking forward to a good season!

*[Members met for a site visit at the cemetery before the meeting.]*

■ Work to the south wall was now completed. It was agreed to ask the builder to sort and stack the spare bricks ready for future use.

■ The test borehole in the cemetery extension seemed to indicate that the flooding problems may be reduced by installing a 'sump' drainage trench beneath the pathway. It was agreed to seek quotes for this work.

■ Members noted that the work to remove and trim a number of yew trees had been undertaken.

### Play Area

■ Concerns had been raised about providing footpath access to the skatepark. Clerk was asked to consult with RoSPA regarding the situation.

### Allotments

■ Council noted that all available plots were now let.

### Any other business

■ Concerns were raised about the operations at Pebble Hall Farm and the potential increase in traffic passing through our parish. As a waste processing site the operations are under County Council jurisdiction. Clerk was asked to bring our concerns to the attention of HDC and the County Council.

■ The condition of the footway in Ashacre Close was discussed.

■ The poor condition of the grass verge on Kilworth Road due to cars parking on it was discussed. It was agreed to reseed this and apply for bollards to prevent further erosion.

■ The position of the cheese-press stones on the Old Green was discussed. It was agreed to move these away from the wall.

■ Concerns were raised about the bin collections. Emptied bins were being thrown about by the bin-men and left lying across the footways. The recycling collection was very noisy early in the morning. Clerk was asked to bring these concerns to the attention of HDC.

*The next meeting of the Parish Council will be on Tuesday, June 1<sup>st</sup> at 7.30pm in the Village Hall.*
