

CATTHORPE ON THE LINE

The Government, desperately seeking funds to bridge the national budget deficit, has recently announced that the Catthorpe interchange works may be delayed or scrapped.

Until the Government's spending review has been concluded in the autumn the Department for Transport will not be in a position to identify those major infrastructure projects it can support. In view of the uncertainty over the availability of funding for this particular scheme, it was decided to postpone, for the time being, the M1 Junction 19 Improvement Public Inquiry.

The proposal, for improvements to the junction, aims to relieve congestion at the junction, make the roads safer and reduce journey times, whilst minimising environmental effects. The department concedes that without improvement, these problems will get worse.

Work currently taking place to replace the Catthorpe flyover, which carries the M6 southbound over the M1 at the junction will be unaffected by the Government's announcement. This scheme is a maintenance project, to be carried out by the Highways Agency, which has been monitoring the existing structure due to its deteriorating condition. The new flyover will be built alongside the existing structure, allowing the highways network to remain operational. Once constructed, traffic will be moved onto the new bridge and the existing one demolished, once work is completed.

Two lanes will be open through the junction in both directions on both the M6 and the M1, with a temporary 50mph speed limit in place. The work is expected to be completed by Spring 2012.

SHOW PIECE

Don't forget to get your entries together for the annual Horticultural and Craft Show to be held on Sunday, August 29th in the Village Hall.

If you have mislaid your entry form or the dog has eaten it please call Eleanor Murphy on 880476. Trophy holders please return your treasure, buffed and polished, to Eleanor well before the day. Also offers of help in any area would be welcomed. Call Kath Harrison on 880206.

The Hall is open to the public from 2.00pm - come along and be inspired!

FLOW RATE

Problems with raw sewage discharging onto the Dag Lane footpath, off Berridges Lane in the village has been tracked to a blocked underground sewer between the village and the sewage treatment plant in Broad Lane. Contractors working on behalf of Anglian Water have recently been working to resolve the problem and clear up the mess. Local residents were concerned that the discharge presented a serious health risk where dried untreated sewage was left on the footway and adjoining verges.

NEW MARINA PLANS UNVEILED

The promoters of the North Kilworth Marina project have recently unveiled their updated plans for the development. The proposed changes follow consultation with local residents, District Council planners and Highways Department officials. In the revised scheme the public house and retail units have been removed from the proposals and improvements have been made to access within the site.

The proposal, for a 240-boat mooring marina, boat building and servicing facilities, canal-side pub and retail units drew strong opposition from local residents, boaters and businesses. Problems highlighted by opponents to the scheme included poor highways access, over development of the site, loss of an important green 'wedge' area, loss of the geographical boundary between Husbands Bosworth and North Kilworth parishes and the threat to the viability of the existing boat servicing business at Kilworth Wharf.

Council and Highways officers were unhappy about the adverse effect that the public house would have on the nearby Canal Conservation Area and also had reservations about traffic generated by the development and concerns about pedestrian and cycle access.

FESTIVE FUN

The organisers of the recent Bosworth Festival in the Park would like to thank everyone who contributed to the success of the event. The glorious weather helped to draw in visitors and exhibitors and ensured that the day's events went according to plan. Highlights of the day were the Market Harborough ATC Band, the Rare Breeds Society exhibits and a low-level fly-past by glider tow planes from the Gliding Centre. The Picnic in the Park, which concluded the day, was particularly successful, as everyone, young and old, enjoyed a balmy summer's evening in the grounds of Bosworth Hall to the accompaniment of live music. The day raised almost £2,000, which will be distributed to over 20 village groups and local charities.

POSTBAG

From Ruth Turner, Kilworth Road

I write to express my concern over the speed of traffic approaching the village from the Lutterworth direction and the insufficient methods of speed control. I have recently driven through Welford, which has 20 mph speed limit signs, through South Kilworth which has speed control measures plus electric signs. Even St. Andrew's School at North Kilworth has 20 mph flashing signs. On the A5199 road towards Kilby there are ripple strips. North Kilworth has a 30mph speed camera. Walcote has 30 mph flashing signs.

What do we have ?

- We have 30 mph zone signs obscured by trees and a speed camera that does not exist
 - We have no safe method to cross the Welford Road / Bell Lane or Kilworth Road
 - The Doctor's Surgery car park is so inadequate that patients park at the playground and 'dodge' the traffic
 - There is no safe way to cross the road to walk to the village school. We do not have any support to cross - there is no 'lollipop lady'
- Effectively we have nothing that lends itself to village-focussed traffic calming. How long do we need to wait until there is a fatality - a child trying to get to school, an elderly or disabled person trying to get to the doctor's or simply a mother with children wanting to get to the playground ?

I suggest that the following are given due consideration:

- Ripple strips are installed to slow traffic down
- A pedestrian crossing is installed to allow easier access to the playground, the doctor's surgery and a safe crossing of the main road to school
- Speed sensitive warnings are installed
- The trees and vegetation obscuring the current warning signs are cut back
- Speed camera re-instated

Editor's Note: This is part of an open letter that Ruth has sent to the District Council and County Council

THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH

- Two safes stolen in a burglary to a commercial premises in Lutterworth were later recovered nearby having been emptied of their contents.
- A circular saw left inside an unattended van parked in a supermarket car park in Lutterworth was stolen.
- Distraction burglaries continue. A male employed to clean the guttering is believed to have entered a bedroom through an upper window and jewellery was stolen from inside.
- A spate of catalytic converter thefts have been reported from supermarket carparks in Lutterworth whilst the drivers were shopping.
- A police crack-down on drugs use has seen individuals cautioned for cannabis possession in North Kilworth and Lutterworth in recent weeks.
- A car left unattended after breaking down on Sibbertoft Road in Husbands Bosworth was stolen.
- Two high value cars were stolen from the owner's driveway in Bitteswell with keys taken in a break-in at the home.
- Two tractors, a blue 09 reg. Landini and a red 06 reg. Zetor were stolen from a farm near Great Easton. A grey/cream low-loader lorry with 4 male occupants was seen in the vicinity at about the time of the theft.

CHARITY COLLECTIONS

Are they real?

Leaflets are being dropped through people's letter boxes offering the chance to recycle unwanted items, especially clothing.

Are these genuine charity collections? Some of the leaflets don't name the charity. Others state that they will 'try' to ensure your donations reach the Third World. Some even ask that you provide your own bags!

Harborough police would urge all residents to be cautious of contributing to any doorstep collection unless the destination is clearly defined. Read any leaflets carefully and, if necessary, phone the numbers provided to confirm that they are who they claim to be.

If you have any suspicions about charity collections or if you observe any suspicious activity, please call the police on 0116 222 2222, Leicestershire Trading Standards (Consumer Direct) on 08454 040506 or the Charity Commission on 0845 3000 218.

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

VILLAGE VOICES

As the fourth village in the series, *Harboroughfm* 102.3 radio station came to the Church Hall, Honey Pot Lane on Wednesday, June 23rd to interview residents about life in Husbands Bosworth.

Over sixteen organisations were represented, including the Handbell Group, who provided a wonderful display of their talents and received great applause from the guests and *Hfm* team alike.

Hfm presenters heard about the local school, the British Legion and the Conker Contest as well as local and family history and the church clocks and bells.

The evening proved to be very enjoyable with the villagers able to share their experience of life in Husbands Bosworth with each other and giving quite a few laughs on the way.

All the team at *Hfm* would like to thank our guests for attending the event and proving once again the dedication and commitment that individuals and groups make to their small communities.

Husbands Bosworth 'Village Voices' will be broadcast on Wednesday, August 4th between 5.00pm and 6.00pm and repeated on Sunday, August 8th at the later time of 10.00pm to 11.00pm

If you would like a £5 CD of the show you can contact *Harboroughfm* 102.3 on (01858) 464666 or e-mail news@harboroughfm.co.uk otherwise you can listen on the *Harboroughfm* website by clicking on 'Village Voices'. You can also use these contacts to let *Harboroughfm* know about local events that you would like promoting, free of charge, any time throughout the year.

LOCAL NEWS IN BRIEF

■ Leicestershire Highways and British Waterways are warning that Swingbridge Street, **Foxton** is closed to through traffic whilst essential repairs and maintenance is carried out to the canal bridge. The work is scheduled to be completed and the road re-opened to traffic by September 16th.

■ Rev. Emma Davies, Curate of the Market **Harborough** Team Ministry, has been appointed Team Vicar of the Avon Swift Team Ministry, which includes **North Kilworth** and **South Kilworth**.

■ Pay and display car park tickets bought for one carpark in **Market Harborough** are now transferable and valid at other car parks of the same tariff if the ticket is within its expiry time and date.

■ The Station Road car park in **Lutterworth** has recently fully re-opened following a £150,000 upgrade.

IF YOU GO DOWN IN THE WOODS...

If you are interested in wood you will be in your element at The National Forest Wood Fair, which takes place on Bank Holiday Monday, August 30th, at Beacon Hill Country Park, near Woodhouse Eaves.

From the growing of trees, to furniture and firewood, demonstrations of chainsaw sculpture and wood turning, coracle making and practical tips on woodland management - it's all there!

This year's centrepiece will be the building of a green oak cottage, complete with furniture - and Goldilocks and the Three Bears - all built on site from a freshly felled oak during the day. Woodcraft, green living exhibitions and trade stalls, refreshments, and children's (and adults!) activities make it a great day out for everyone. Open from 10.00am to 5.00pm.

Tickets £7 adults, concessions £4. Family ticket £15. Five minutes from M1 J22. FREE Park & Ride from County Hall, Glenfield.

FIREWORK FEARS

LOROS, The Leicestershire and Rutland palliative care hospice, has growing concerns about this year's major events through lack of sponsorship.

LOROS Fund-raiser Christian Weikert-Picker said, "Our community events are taking a real battering this year. The Victory Show at Cosby, which was planned for September, has been cancelled due to the lack of commitment from sponsors. I fear this may happen to the Mallory Park Fireworks event in November as we have not been able to secure a main sponsor for the event."

Christian Weikert-Picker would be happy to discuss sponsorship. Contact LOROS Fund-raising on 0116 231 8431 or e-mail fundraising@loros.co.uk.

Meanwhile, on the positive side, the annual LOROS Walk on the Wildside event on Sunday, September 19th will go ahead.

A 12 mile circular walk, ideal for fitness fanatics, large business groups and organisations, will begin at 9.30am with walkers passing through Bradgate Park, Swithland Wood and Swithland village. The shorter 6 mile walk commences at 10.30am, following a route around Bradgate Park. Both walks start at Severn-Trent's Cropston Water Pumping Station.

More than 600 walkers are expected to take part and stretch their legs around the beautiful Bradgate Park countryside. You can turn up on the day and make a donation to enter the walk or if you require sponsorship or registration forms, visit the website www.loros.co.uk/fundraising. Call 0116 2318431 for more information.

A bacon, burger and sausage barbeque, soft drinks, tea, coffee and cakes will be available throughout the day at Severn-Trent's Cropston Water Centre. A refreshing 'goody bag', free for walkers, will help to keep their spirits up!

BEST BEFORE:

Are you confused by *Best Before*, *Use by*, *Sell by* and *Display Until* dates on foodstuffs? This explanation may help.

Best Before Dates

Date-marks on longer-life food, usually dry foodstuffs such as biscuits, cereals and cakes or canned goods may use the phrase 'Best Before...'. This is the date up to and including which the food can be expected to remain at peak quality if properly stored. Food is likely to be perfectly edible for some time after this date; however its quality may suffer.

It is **not an offence** under the Food Labelling Regulations to sell food past its 'Best Before' date as long as it is of a 'quality demanded by the purchaser'.

Use By Dates

The 'Use By...' date is used for foods which would be difficult to visually assess the condition of, are of highly perishable nature and could cause an immediate health risk. Examples are meats and some ready-prepared products. These foods could become a health risk if used after the 'use by' date.

It is a **criminal offence** to sell any product that has **gone beyond its 'Use By'** date.

Sell By Dates

'Sell-by'... and 'Display Until'... dates are used by retailers for stock control purposes to ensure shelf freshness, especially in short-life fruit and vegetables. These products usually become visually unappealing before they present a significant health risk. It is **not an offence** to sell food after the Sell-by or Display Until Dates - the onus is on the consumer in this instance.

There are moves within the EU and UK Government to simplify food dating by abolishing all dates except 'Use By' dates. It is estimated that 450,000 tonnes of perfectly edible food is discarded each year in the UK simply because consumers are confused by conflicting advice on food labelling.

THE CLEAR MESSAGE IS:

- Don't chance anything that's past its 'Use By' date
- Use your eyes, nose and common sense on 'Best Before' and 'Sell By' dates

HISTORICAL SOCIETY

The Historical Society's winter programme has recently been finalised and once again it promises a grand selection of talks.

The season opens on a spooky note on Wednesday, September 8th (*Note: Second Wednesday!*) when local historian, David Bell, will regale us with strange goings-on in his talk about Leicestershire's Ghosts and Legends.

Other speakers during the season will enlighten us on Crime in Leicestershire, the Slums of Leicester and Medieval Pilgrimage. Fiona Ure, Assistant Curator of Snibston Discovery Park will discuss the history of cooking - First Catch Your Hare!

In the New Year we will hear the story of Leicestershire's village cinemas and Ken Day will give an illustrated talk on interesting shop signs he has come across on his travels! Meetings are usually held at 7.30pm on the first Wednesday of each month in the Church Hall, Honeypot Lane. If you would like a copy of the Historical Society Winter Programme and membership details please call Frances Smith on 880225.

FREE TREE SCHEME

The County Council's Free Tree Scheme is now in its third year and has already seen more than 4,400 saplings planted. The initiative is available to rural landowners and farmers within the county and aims to help to replace the losses caused by disease and natural loss. One person to have benefited from the scheme is John Blay, from Husbands Bosworth, who has already received 50 trees and is applying for 25 more this year.

John said: "This is an excellent scheme. I have received a mix of species which I have planted along two borders of a 5 acre field. The County Council's Forestry staff have been particularly helpful and the initiative is something I have recommended to other people."

The council's Forestry Team are now looking for landowners and farmers who will take up to 25 new trees for planting on suitable sites this autumn. Participants have a good choice of trees to choose from and the council's forestry staff will be available to offer support and advice to anyone who takes part in the initiative. Ideal sites for the trees include new and established hedgerows, field corners and parkland areas.

For more information contact The Forestry Group at County Hall on 0116 3056922.

Please note: the scheme applies to farmland only and does not apply to domestic gardens. More information on the Free Tree Scheme can be found at: www.leics.gov.uk/freetrees

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

MOVING ON...

Rev. Alison Hampton will be leaving the Hexagon Benefice in October to take up a new job with the Christian charity "Toybox". Alison's last services will be on October 3rd and we will be saying our farewell's to her at a special evening event on Friday, October 1st. More details will be in the September issue of the Bugle. Parish Ministry, will of course continue in the Hexagon Benefice with myself, our lay readers and our Churchwardens. For further information please contact Rev. Andrew Rhoades on 01858 460150.

CHURCH STALL

The stall in aid of Church Hall funds at the Bosworth Festival raised over £200. Many thanks to all who donated plants and bric-à-brac for the stall and to our happy customers!

HISTORIC CHURCHES RIDE

The Historic Churches fundraising bike ride will take place on Saturday, September 11th. Lorrie Forman and Mike Price will be biking for Bosworth again this year. Half of all donations go to our local church.

CONFIRMATION SERVICE

The Deanery Confirmation Service will take place at 7.30pm on Tuesday, October 5th at All Saints, Husbands Bosworth. The service will be led by the Rt. Rev. Bishop Tim Stevens and Rev. Canon Ken Baker. For more information please call 01788 860409
