

## CAMERA SHY...

**H**ave you spotted SID yet? SID may well have spotted you! SID is **His own Speed Indicator Device; the parish's new tool in the drive to reduce the speed of traffic passing through our village.**

The high speed of traffic on our main roads was one of the main gripes of villagers in the 2006 Parish Plan. The removal of the High Street speed camera in November 2009 hasn't helped; leaving Bosworth as the only village along the A4304 between Lutterworth and Market Harborough without an active speed deterrent.

The device has been active in recent weeks on Welford Road and Theddingworth Road, flashing up the actual speed of vehicles as they approach the built-up areas of the village. SID faithfully records every traffic movement during his 'watch'; data that can be downloaded and assessed to build up a picture of traffic flows and characteristics. This information can then be used to draw in other traffic control measures such as increased, or more time-focused, police safety camera visits. Initial indications are that the device is having a positive effect on drivers' behaviour and is encouraging them to ease off the accelerator. You will see SID active at other sites on the main road entrances to the village and on the High Street over the next few weeks.

SID is owned and controlled by Husbands Bosworth Parish Council. The purchase of the device was partly funded by a community initiative fund administered by Leicestershire County Council and Harborough District Council.

*Watch out SID's about!*

## ROAD RAGE...

**T**he roadworks faithfully promised for Bell Lane and Berridges Lane, during March, by Leicestershire Highways are now scheduled to commence in May.

The work, to re-lay and resurface the footways and carriageways through the one-way system in the village, were struck by the need to carry out emergency roadworks on Pincet Lane, North Kilworth in March and have had to be rescheduled into the new financial year due to lack of funds.

Work is due to start at the end of April on reprofiling the footways and raising the kerbs and will be followed by the carriageway resurfacing work during May.

During the work the one-way system will be deleted, allowing two-way traffic and opposite way running in parts, on a rolling programme to allow access only for residents. Through traffic will be directed via North Kilworth and Pincet Lane.

Signing for the proposed works will go up at least 10 days prior to any work commencing and contact numbers for anyone concerned about access problems will be displayed.

## BUS LANES

**F**urther clarification of the future of the 58 bus service has come to light since the publication of the last issue of the *Bugle*.

Leicestershire County Council transport department have now confirmed that the route is currently being reassessed by CentreBus, the company operating the service, but have assured us that no changes will be made before August.

Whilst most parts of the service, including the Market Harborough to Lutterworth slot, are commercially viable, CentreBus is concerned that other little-used sections may need to be amended.

The company is looking at an option to split the run at Lutterworth and running a through service from Corby to Lutterworth, which would link up with a possibly amended Hinckley to Lutterworth service.

Confirmation of any changes are expected before the end of May but the *Bugle* has been assured that whilst the service start time may be trimmed and timings altered, an hourly service in both directions through Bosworth will be maintained.

## POSTBAG

*From Anon, Hunters Close*

I feel it is my duty as a member of this community to highlight a potentially fatal situation. There appears to be a growing trend that children are being allowed to play on our roads. Are parents aware that we have excellent playing fields on Kilworth Road or are they just too lazy to use them? Highcroft, Ashacre Close, Hunters Close, Butt Lane and Lammas Close are not children's play areas. Are we really telling our children that it is OK for them to play in the road and around parked cars? Over the last few weeks I have heard of a couple of horrific 'near miss' incidents involving children playing in the road. I wonder if their parents are actually aware that they are putting their children in danger? Sorry for the lecture, but surely this is better than a potentially fatal accident involving **your** children.

*From John Gauld, Doncaster*

My mother, Olive Gauld, is now living at Lenthall House in Market Harborough and is not able to return to live at the bungalow on Welford Road. We have cleared the property of valuables and furniture. However, this did not prevent thieves from breaking into the garden shed at the beginning of April and stealing the following items...

A 14 inch petrol cylinder lawnmower with electric start, Flymo CT250X 18volt rechargeable strimmer, electric hedgecutter, two 'Shell' 2 gallon antique petrol cans and a number of garden tools.

The thieves will have had to park a van either on the drive or on the road and there is a security light that would have come on after dark. I am offering a £100 reward for information leading to the return of the items and the arrest of the thieves.

*Editor's Note: If you have been offered items similar to these, or have any information, please contact Lutterworth police on 0116 222 2222.*

*From Anon, Honeygot Lane*

The residents living near the Old Green in the village would like to thank the Parish Council, especially our hardworking Parish Clerk, for the wonderful display of tulips planted in memory of Beryl Jones. Today, at the beginning of April, the Green is at its peak and looks brilliant!

*From Bill Fletcher, Chairman Husbands Bosworth Parish Council*

In reply to Brian Smith's letter (*Postbag, April Bugle*). The Parish Council goes through a very comprehensive process every year to look at their areas of financial responsibility. To meet the demands of 2011-2012 an increase of £2,300 was agreed, one consideration being that 2011 is a Parish Council election year, which alone will cost the parish £866.54. We were also aware that due to the spending cuts at District and County level we will now have to pay for some services previously provided by them. One of the biggest areas to note is the drying up of grants which have previously been a major factor with village improvements. The Parish Council now needs to build reserves to enable it to maintain and continue these improvements. In the meantime the Council will continue to serve the best interest of its parishioners by promoting best value for money. Any member of the Parish Council will be happy to discuss any concerns you may have; their telephone numbers can be found in the *Bugle* or you are welcome to any Parish Council meeting.

*THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH*

Local police are currently investigating two incidents where elderly people have received phone calls from people claiming they are investigating financial organisations on behalf of the Fraud Squad.

Personal and banking details are requested allegedly for the caller to check transactions that are claimed to be under investigation. Fortunately, in both cases, the victims quickly became suspicious of the call and reported the matter to the police.

**The council is reminding householders that it is their duty to ensure that any waste that they dispose of is going to a registered site, by a registered carrier. Fly-tipping is a criminal offence and carries a penalty of up to six months imprisonment and/or a £20,000 fine. Enforcement officers will always check flytipping sites for evidence to help trace where the waste has come from and will prosecute the originator as well as the carrier.**

### BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

We've recently had a request for information regarding three Bosworth families from a lady doing research into her family history. The families are the Lewis's, who were dressmakers and tailors over several generations, the Steanes and the Riddingtons. Census returns indicate that Lewis's and Steanes were evident in the village up to the early 1900s. If anyone has any further information on any of these families please contact Melvyn Forman and he'll pass the information on.

*As an aside to the village's recent Air Crash Memorials project, a lot of information has come to light regarding the Polish Resettlement Camp that was set up after the war in redundant airfield buildings on Bosworth aerodrome. So much information has come forward that we feel it should have a wider audience in a future issue of the Historical Society's periodical journal, Bygone Bosworth. If you have any information of any sort relating to the Polish Camp or the people who lived there please call Melvyn on 880281.*

The films feature some of the village characters up to various degrees of mischief around the village, many of whom still live locally and may wish to come along to the film show to explain their antics!

Also included is rare footage of a train journey from Lilbourne to Lubenham, (stopping at North Kilworth station), on the LNWR railway through Bosworth parish.

The meeting is open to all; there is a £2.50 door charge for non-members. There will be wine, soft drinks, coffee, tea and nibbles.

### Day Trip

# PARISH COUNCIL NEWS

## Report of the Parish Council Annual Open Meeting held on Tuesday, April 5<sup>th</sup> 2011.

Five Council members, District Councillor Brian Smith, County Councillor Graham Hart and 5 members of the public were present.

Members of the public were invited to raise any matters of public interest.

◆ Queries were raised regarding planning permission requirements, especially in relation to current works around the village.

◆ The untidy condition of the High Street Garage site was discussed.

◆ The infrequent cutting of the grass on the village greens and the consequent untidy condition during the growing season was discussed. It was noted that HDC cut these areas, but only on a 4 to 6 weekly cycle. The Parish Council had in the past enquired if a rebate or refund of costs could be made if the village took on the mowing but was informed that this wouldn't be possible. Due to the extra cost on the Parish it was agreed at that time not to take over the cutting. However it was agreed to again explore the possibility of a refund or seek volunteers from the community.

◆ The Tennis Club thanked Council for arranging the clearance of scrub behind the tennis courts. Council was asked to enquire if it was possible to install a 20mph limit on Welford Road past the school. The meeting heard that in the past Council had been informed that the site did not meet the criteria as traffic approaching the High Street junction was naturally slowing down. It was noted that a request from the school authorities would carry a great deal of influence but the Clerk would seek up to date information on the situation.

The Chairman thanked everyone for their attendance and closed the Annual Open Meeting.

## Report of the Parish Council meeting held on Tuesday, April 5<sup>th</sup> following the Annual Open Meeting.

### Visitors' Questions

◆ Queries were raised regarding the village precept figure.

◆ The meeting heard that HDC were considering changes to the way Section 106 developer contributions would be levied and distributed.

◆ The meeting briefly discussed the Kilworth Marina development and the highways authority opposition. It was noted that for highways to reconsider their stance a great deal of road safety related road works would be necessary at the entrance to the site onto the A4304.

### Matters arising from the Minutes of the Previous Meeting

◆ Clerk informed Council that British Waterways had responded regarding the removal of the towpath bridge at Welford Marina, claiming that the replacement of the bridge would be an unjustifiable expense as there was an alternative path around the marina basin.

◆ Council heard that the Village Hall committee was seeking clarification regarding the need for planning permission for the carpark signs on the wall of the Hall.

### Cemetery

◆ Permission had been granted for cleaning a memorial prior to the interment of ashes at the grave.

◆ Clerk to seek quotes for installing the drainage sump in the cemetery extension.

### Playing Field & Play Area

◆ A new seesaw had been installed in the children's play area, as planned. Funding for this, and other works, had been obtained from a local authority grant.

◆ Council heard that there was now no waiting list for plots as all interested parties had been accommodated.

### Allotments

◆ Council agreed to supply a skip for allotment waste over the Spring Bank Holiday.

◆ Problems of the overgrown access pathways was discussed. It was noted the allotment holders had undertaken to clear some of the paths but Council would monitor the situation during the growing season.

### Neighbourhood Watch

◆ It was noted that the new information system would be going on-line shortly.

### Rural Housing Scheme

◆ No news had been received regarding the progress of the scheme. Council heard that the Housing Enabler post had been lost in the recent local authority spending cuts. However it was felt that the village's scheme had progressed beyond that phase. Clarification would be sought from the likely developer, East Midlands Housing Association.

### Next meeting

The next meeting of the Parish Council will be on Tuesday, May 10<sup>th</sup> at 7.30pm in the Church Hall [Please note venue change].

### Call for sites with development potential

Landowners, developers and property agents are being encouraged to come forward if they hold land within the district that could be suitable for development.

Harborough District Council is calling for up-to-date information about sites which may have potential for housing and other forms of commercial growth in the future. All sites brought forward will be assessed objectively by the Council working with local developers, landowners and property agents, where necessary, to test whether sites are suitable, available and achievable for housing or commercial development over a range of timescales.

The initiative aims to ensure that communities are encouraged to grow in response to the local economy on the one hand and that suitable land becomes available to create jobs on the other.

The closing date for the submission of site information is 5.00pm on May 20<sup>th</sup>.

Forms to provide information on sites are available on the council's website at [www.harborough.gov.uk/shlaa](http://www.harborough.gov.uk/shlaa).

For more information contact the Planning Policy team at Harborough District Council on 828282 or email [planningpolicy@harborough.gov.uk](mailto:planningpolicy@harborough.gov.uk)
