

## SPEED WATCH

**I**nitial results from data downloaded from the Speed Indicator Device show that the speed of traffic passing through Husbands Bosworth is, in general high, confirming what those who live in the village had long suspected.

Since the village's speed deterrent device was activated in April it has been diligently logging every traffic movement, its time and speed. Unsurprisingly, in the 20-day period that SID was active on the Theddingworth Road approach to the village the device logged almost 35,000 movements. What is surprising and more than a little disturbing, is that the fastest speeds were a number recorded at over 70 mph! Speeds like this defy belief in a built-up area, within the 30mph zone and approaching a corner. We do know from the data gathered that these incidents were before 7.00am on weekday mornings. Other peaks in speeds so far logged are mid-morning and mid-afternoon. Interestingly the morning rush hour is the slowest period!

Overall, the average speed of traffic entering the village on the Theddingworth Road was a worrying 46 mph. The indications are though, that SID is doing his duty. Most of those spotting the device as it flashes up their speed, do ease off the accelerator and slow down to more reasonable speeds as they pass. This has got to be good for speeds and safety in general, as traffic passes further through the village.

With five sites around the village earmarked for the installation of the device it should be an interesting exercise to compare speeds recorded over a period of time to see if patterns build up. Information gathered may then be used to call in more serious speed monitoring and enforcement by the police road safety team.

### BOSWORTH BALLOT

**T**he election hub-bub has died down and in the end, due to a lack of candidates, Husbands Bosworth voters weren't asked to elect their Parish Council at the ballot box. It's always unsatisfactory when a parish council or any governing body, is returned unopposed with no mandate from their electorate.

Husbands Bosworth is fortunate in that four of the previous six councillors chose to carry on. North Kilworth lost all but one of their councillors and are, for the time being, looking at administration by Harborough District Council.

### FESTIVAL 2011

**B**osworth Festival is now in its sixth year and this year's event, on Saturday, June 25<sup>th</sup>, promises to be bigger than ever with a host of vintage and veteran farm machinery, military and road vehicles, rare breed farm animals, aviation and military memorabilia, children's attractions, trade, charity and local activity group stands. The event concludes with a grand Picnic on the Lawn.

### PARISH MAGS

**V**illager Margaret Scurrah has recently passed on a full set of copies of the Parish Magazine, which she edited from 1987 to 1995.

The first issues, before Margaret's involvement, were produced by the then Rector, Rev. Paul Collins. At that time the benefice comprised only the four parishes of Husbands Bosworth, Theddingworth, Mowsley and Knaptoft and the magazine titled, *Roundabout*, was a single sheet with little more than a brief missive from the incumbent and a list of forthcoming services.

Later the magazine reverted to the title, *Parish Magazine* and took on a greater role with the inclusion of other church activities such as bell-ringing, Mothers' Union, coffee mornings and general church chat and expanded to four pages to accommodate all the news. Regular grumbles about church funding and pleas for more giving featured then, as now! Later still the magazine morphed seamlessly into the *Hexagon*, the benefice magazine of the six parishes that we know today.

### VANDAL PROOF

**A**s we've noted previously in these pages, our village is fortunate in suffering little by way of vandalism. So, a recent attack on part of the skatepark equipment is particularly disappointing, especially since the facility is well used and, in general we assume, appreciated by the youngsters of the village.

Funded and built originally by a small but dedicated group of villagers, the skatepark was subsequently taken over by the Parish Council, who now maintain it. Some wear and tear is inevitable and acceptable on such a well-used facility, but wanton destruction is not.

Recently the Parish Council agreed to release £2,000 from financial reserves to carry out the necessary repairs. Lack of further funds for any future vandalism may result in the cheaper option - the removal of unsafe parts of the apparatus or the closure of the site.

## POSTBAG

*From Anon, Butt Lane*

In response to Anon, Hunters Close, (*May Bugle*). It is obvious from your letter that you have never lived in a village before. Children in Husbands Bosworth have always enjoyed the pleasure of being able to play in the streets. All the streets you mention are cul-de-sacs and as such traffic should not be racing around. I live in Butt Lane and although I do not have any young children now, I enjoy watching them play together and parents are very aware of them when they are out. When my children were young they played in the street and at that time the gravel pit entrance was off Butt Lane with pit lorries travelling up and down - we never had a problem then and we do not have a problem now. Children do use the park and with parental control, so where did you get the information from that parents are too lazy to take them there?

*From Mick Bromley, Ashacre Close*

It's disappointing that Anon felt unable to identify themselves. I'm sure many parents on the roads listed would like to discuss our laziness, our inability to recognise danger and what we are telling our children. I totally agree that our children should not be playing on the roads and do recognise the dangers - not only of the moving traffic, but also the parked cars. The roads listed are effectively all 'no through' roads and one of the major concerns should be the way traffic moves along these roads and consideration drivers give to children playing. There should be no reason why any vehicle should do anything but crawl along these roads.

I'm sure Anon would share the opinion that our children spend far too much time in front of TVs and computers and that we should encourage them to take advantage of living in a village environment. The park does offer good facilities, but the social and recreational benefits of children playing in the street, in and out of each others gardens, playing on bikes, scooters etc. are very important. This is one of the reasons we moved to the village, and so far we have had absolutely no regrets.

I will be more vigilant in future and try to instill as much road sense into my son as I can, but will continue to encourage him to take advantage of the relative safety of the pleasant village environment we are lucky enough to live in.

*From Nicola Anderson, Hunters Close*

In reply to Anon of Hunters Close (*Postbag, May 2011*). I was firstly quite shocked, then angry and finally in a state of disbelief when I read your 'lecture'. 'A growing trend' to let children play on the road? Really? Do children not usually play out in the street; have they not done that for decades??? The decision to move my family to Hunters Close from a busy thoroughfare in Market Harborough was partly due to the appeal of a 'safe' street where my children would be able to play, in what I hoped was a safe, quiet, residential cul-de-sac. Hunters Close is not the M25 or Silverstone! Yes, I am aware of the play areas provided for children. I think they would crumble under the pressure if every child in the village was only allowed to play there. I am NOT a lazy parent and believe my children have a right to play on their own street with their friends without me constantly breathing down their necks. Does Anon really feel it appropriate to insinuate that children should only play in designated areas, which for those on Hunters Close are a fair walk away from home? Further, and more importantly; where is Anon's lecture for the irresponsible drivers who fail to slow down on entering these residential areas, where anyone with half a brain would anticipate that there will be people (not just children) to be avoided??!

We have recently been alerted to a scam which has been 'doing the rounds' recently. A NW member received a phone call from a company called 24/7 PC Care, who told her that she had a virus on her computer. Be aware that this is a scam. The caller wants to get access to your computer so that they can install viruses and then try to charge you for their removal.

## BYGONE BOSWORTH

*The Historical Society's Periodical Journal*

Where were the village's festivities for William and Kate's nuptials? When Husbands Bosworth celebrated the Queen's Silver Jubilee in 1977 things were very different! The village set to with gusto at a meeting to form a committee on February 1<sup>st</sup> at which it was proposed that a festival bank account be opened. Donations were already rolling in and it was agreed that all children under 11 years of age and living in the parish should receive a souvenir of the event. In all 173 children were identified. Suggested fund-raising events to cover costs included a comic football match, a barn dance in the Hanger at Bosworth Hall, a Youth Club disco, an Easter Fair, a series of coffee mornings and the WI offered to stage a revue in the Village Hall.

The programme of events for Jubilee Day, Monday, June 6<sup>th</sup> 1977, would commence with a United Service on the Village Green. At 1.30pm a Fancy Dress Parade, organised by the Football Club, would meet at Church Street and proceed to the Sports Field for judging and the presentation of prizes. In the afternoon the Youth Club would organise activities on the Sports Field. Later there would be a Children's Tea Party on the school playground at which the souvenirs would be presented. A Social Evening in the Village Hall would conclude events. After much discussion it was agreed to give each child under 11 years of age a souvenir mug and, in addition, all children attending the village school would be given a Jubilee Crown.

At a later meeting it was heard that the Education Authority proposed to charge £2.50 for allowing the Children's Tea Party to be held on the school playground so it was decided to move this event to the Sports Field! The souvenir mugs cost 33p each and 1½ gross (216) were ordered along with 100 crowns at 35p each including plastic wallets; any surplus would be sold. At the committee meeting in March it was proposed that a printed programme of the day's events be produced and it was decided that there should be a bonfire on the Sports Field in conjunction with others to be lit across the country. Mr. J. R. Desborough, as the oldest village resident, would be asked to light the bonfire and it was hoped that the Ladies Rounders Team would squeeze in a match before the fire was lit!

## ACTIVITY GROUPS

### HISTORICAL SOCIETY

The last indoor meeting of the Historical Society's season was a film show of old Bosworth films from the Society's Archive Collection. The films were made in the 1960s and in addition to showing a selection of the village's characters in their natural surroundings, also showed glimpses of the village itself.

Footage of the demolition of the thatched cottages on the corner of Bell Lane and High Street, where Cheney Court now stands, was titled "300 years of Bosworth History comes to an End". A short clip of a couple of youngsters undertaking a canoe trip from Kilworth Wharf was of particular interest as it showed the overgrown and derelict state of the wharf at that time.

A unique trip along the LNWR railway line through the parish briefly brought back to life a lost part of local scene.

\*\*\*\*\*

The Society's summer programme includes a day-trip to Cambridge on Saturday, June 11<sup>th</sup>. The cost of the coach travel will be £12 per person. Places must be booked as soon as possible. This trip is open to non-members and friends. Contact Heather on 880165.

The Annual Garden Party will be on Sunday, July 3<sup>rd</sup> at the home of Isobel Pepperill, Vine House, High Street at 6.00pm.

## Report of the Parish Council Meeting held on Tuesday, May 11<sup>th</sup> following the AGM.

*Four Councillors and 1 member of the public were present.*

### Visitors' Questions

A query was raised concerning the signs that had been erected on the Green for several weeks notifying motorists that the A14 was closed. Apparently these had been left in error after a series of overnight roadworks at the Welford junction in February. They had eventually been removed but the meeting heard that new roadworks were scheduled during the current week and new signs had been erected. Assurances had been given that the new signs would be removed immediately after the work was done.

### Matter arising from the Minutes of the Previous Meeting

Council was informed that planning permission was not needed for the carpark signs on the wall of the Village Hall.

### Cemetery

Clerk was asked to contact the mowing contractors and ask that the pathways in the cemetery be sprayed before the weeds got too long.

### Playing Field

Significant vandal damage had recently occurred to part of the skatepark equipment. A provisional estimate of the cost of repairs, including some work due to normal wear and tear, was £2,000. It was agreed that the work should be carried out and paid from reserves.

### Allotments

It was noted that the skip provided over the Spring Bank Holiday period had been well used by allotment holders.

Clerk informed Council that all plots were now let. Members discussed the layout of plots where direct access to the trackways was no longer possible. Realignment of plots in the past, due to previously unworkable areas, had resulted in some anomalies in the layout.

### Traffic Issues

Council noted that the Speed Indicator Device was active and seemed to be working well. It was agreed to purchase three extra brackets so that all five stations around the village had permanent brackets enabling the device to be moved more easily. Initial results from data collected indicated that speeds generally were well over the 30mph limit.

### Neighbourhood Watch

Members queried the new scheme for transmitting information. It was agreed that the system was too complicated and difficult to access locally relevant information.

### Any other business

Members discussed the options for co-opting a new member onto the Parish Council to bring Council up to full strength. It was agreed to publicise the vacancy.

Clerk was asked to thank retiring Councillors, Geoff Armitage and Tricia Day, on behalf of the Council and village, for their valuable contribution to the Parish Council, especially in planning matters, during their terms in office.

*The next meeting of the Parish Council would be on Tuesday, June 21<sup>st</sup> at 7.30pm in the Committee Room of the Village Hall. Council members will meet at the allotments site at 6.45pm.*
