

## PARISH SHARE

**I**n round figures it costs about £20,000 a year to 'run' our parish church. This is the amount needed to cover the share our parish makes towards the minister's salary, our contribution towards the work of the diocese and the day-to-day running costs of the church itself, such as electricity, maintenance and insurance.

We are fortunate in having a very active band of villagers who are committed to keeping the fabric of our church together and raising these much-needed funds. With their enthusiasm and the generosity of other supporters our parish church is able to carry on its role as a focus point within our community.

Over the past 50 or so years the nature of church ministry, especially within rural parishes has changed. Fewer people feel the need, or have the time, to attend church regularly and the weight of responsibility for the upkeep inevitably falls on a diminishing group.

Locally church members see the need for change and would like to modernise our parish church to encourage more people to visit. Historically, in the past the church was often the largest building in the area and the natural meeting place for the people, not only for religious meetings but also for social events. Our church still has an important role to play in the modern life of the village by providing the venue for weddings, funerals, memorial services and baptisms and with the pastoral care within its ministry. An urgent project on the 'wish-list' would be the provision of toilet facilities within the church, which would enable the building to once more stage impressive 'crowd-pulling' events!

A few weeks ago the *Bugle* distributed a flyer on behalf of the Parochial Church Council, which sought help from local residents, not just churchgoers, in their task of securing funding for the future of our parish church. The suggestion was that villagers might consider some form of regular giving to help the PCC plan their future financial commitments.

Some villagers already give in the form of covenants; a direct donation of £5 to £25 per month, which may be enhanced by the Inland Revenue to the tune of 28p for every £, under the Gift Aid Scheme. There are other ways of giving for those who can't commit to regular giving and, of course, any help that you can give at church fund-raising functions, and cleaning, flower arranging or maintenance would be most welcome.

If you would like to discuss ways in which you might be able to help please call either Brian Smith on 880225 or Lorrie Forman on 880281.

## QUARRY PROGRESS

**A**t the recent Quarry Liaison Group meeting members heard that Lafarge Aggregates, the operators of the Welford Road Quarry site, have applied for permission to fill redundant workings with inert waste. The application, filed under Leicestershire County Council's Waste Development Plan, seeks to extend the quarry's existing landfill permission to 2026. Over recent years the site has seen reduced amounts of infill material presented, due in part to the recycling and reuse of inert waste within the building industry and also the general industry downturn, leading the quarry's back-filling and reinstatement programme to fall behind schedule. The application seeks to continue in-filling on the quarry's eastern site, off Welford Road, on land presently used for settling and silt storage. However, due to reduced amounts any work is likely to be carried out on a 'per campaign' basis rather than as a continuous process.

Proposals for re-opening the formerly worked site to the east of the Butt Lane bridle track are currently being considered by Leicestershire County Council. It is hoped that work to open up new settling pools can commence here later in the summer. A rethink by Lafarge on the operation of this extension site may see a conveyor system, rather than the previously discussed haul system across the bridleway, being used.

The meeting heard that throughput at the site, especially at the bagging plant, was significantly up on the comparable period last year and traffic movements were recorded at 640 per month; 70% of which turn towards Husbands Bosworth.

## POSTBAG

*From Sally Lang, Butt Lane*

Thanks to those dynamic and well-organised people (stars!) who do more than just moan about a problem (as I did). We can now pull out of Butt Lane with confidence. The new mirror on the building opposite is so good that we have a long, clear view of what was invisible before. I can't remember the last time I felt safe pulling out of Butt Lane... must have been when the last mirror was new. The technology has obviously improved since then. The clarity of the new mirror is astonishing. The last mirror, helpful as it was, didn't give anything like the perfect, sharp view we see in our new one, even when it first went up. So I'm very grateful to you - and I expect everyone else who has to drive onto the High Street from this junction is too.

*Editor's Note: I'm sure that everyone who has cause to use the new mirror will agree with Sally. It certainly makes visiting Butt Lane and Lammas Close in a vehicle a less daunting task. Thanks must go to Tricia Day and Frances Smith for doing the legwork and collecting the donations and, of course, thanks also to those who contributed towards the cost of the mirror.*

*From the Elections Manager, Harborough District Council*

We are seeking casual staff to assist with the compilation of the district's Electoral Register 2012. Canvassers will be required to make house-calls to households that don't respond to initial mail approaches. The work will be carried out over a two-week period in October 2011. A retainer fee of £20 plus a £10 training fee will be paid, plus £1 for each successfully completed form. For an application form or more information please contact Sheena Mortimer at HDC on 828282. Closing date July 15<sup>th</sup>.

### WATCH WORD

*THE NEIGHBOURHOOD WATCH SCHEME WITHIN HUSBANDS BOSWORTH*

The Office of Fair Trading (OFT) has run doorstep and rogue trader campaigns since 2004 to help raise awareness of unscrupulous traders who offer on-the-spot home and garden repairs.

In a new campaign OFT will be working with victims and local community groups to drive home the key messages. The campaign's target audiences are those from vulnerable groups, the disabled and residents over 70 years of age.

A special leaflet has been developed for the elderly and another leaflet for friends, family and carers of the elderly and vulnerable. These leaflets are available to order from the OFT's website: [www.oft.gov.uk/OFTwork/consumer-protection/campaign11-12/doorstep/](http://www.oft.gov.uk/OFTwork/consumer-protection/campaign11-12/doorstep/) The full campaign strategy will be available from the OFT website in the coming weeks. To find out more about the campaign, please contact Tamara Lewis: [tamara.lewis@oft.gsi.gov.uk](mailto:tamara.lewis@oft.gsi.gov.uk)

## KILWORTH CHALLENGE

A total of forty-five teams competed in the recent Kilworth Challenge 2011, raising £85,019.24 and taking the Challenge's total over the past 21 years to almost £950,000. The event was won by The Horny Bar Studs VI team with the Eager Belvoirs II from North Kilworth in second place. Third was another locally based group, The Go Go Squad.

The winning female team was 4 Non Blondes from Market Harborough. Mixed team winner was 3 Locals and a Foreigner. The over 40s category was won by the perennial local team, The Kilworth Lions. The team that raised the greatest amount of sponsorship was another team with strong local links - Running on Carling, who raised £6,282.24.

The lion's share of this year's sponsorship will go to Dukes Barn in Derbyshire, which provides outdoor pursuits facilities for handicapped and disadvantaged children and to the Leicestershire Clubs for Young People. Other local charities and good causes in the Market Harborough area will also benefit. The organisers would like to thank everyone that took part, the marshals, local landowners and the sponsors who helped in ensuring such a successful event.

### Date for the Diary

There will be a special *Kilworth Village Challenge* on Saturday, September 3<sup>rd</sup>. If you fancy wet and cold... and maybe a little local glory the organisers are looking for about 10 or 12 teams...

# SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

From Matthew Bown Headteacher

As the end of the school year nears I reflect on what has been an incredibly busy and eventful year. This year we have developed and improved the school by resurfacing and remarking our playground. A good job I am sure you will agree. We have also renovated and improved our school library, long overdue. These two improved areas will provide high quality, fun learning environments for use in the new school year.

School numbers have steadily grown during the course of the year and from September we will be oversubscribed with 85 pupils. This is very good for the school, and as a result the local authority have agreed to increase our intake numbers from 12 per year group to 15. Sadly, we say goodbye to two members of staff at the end of this year. Mrs. Tuttle is moving on to pastures new and promotion, while Mrs. Durrant is retiring.

Mrs. Durrant has been at the school for 18 years on and off and in many roles. She has taken on the role of Acting Headteacher when the school needed a leader and has for many years been a governor and, of course, has been a very important member of staff as a class teacher. Mrs. Durrant has been a key part of our school and has played a vital role in the school's success over the years. On behalf of myself, staff, pupils, governors and parents I would like to send our heartfelt thanks for her commitment and hard work. We wish her a very happy retirement. She will be missed but never forgotten at Husbands Bosworth Church of England Primary School.

Have a very happy and healthy summer. God bless.

#### THE BOSWORTH CHARITIES

If you look high on the wall inside the bell tower of All Saints Church you will see a Benefactors' Board, which lists charitable endowments made over the centuries for the benefit of the church or the parish poor. These endowments, some of which are in the form of property for which a rent is received, are still in existence and are administered by the Bosworth Charities Board. Over the years the charity funds have paid for coal, bread and clothing for the parish needy. These days the charity holds regular coffee mornings for the elderly and retired members of the parish who are living alone.

## ACTIVITY GROUPS

### PLAYING FIELD COMMITTEE

At the recent meeting of the Playing Field committee members discussed the use of funding received from last year's Hollowell Steam Festival. Whilst originally this was earmarked for the purchase of CCTV equipment for the pavilion and tennis courts area it was found that installation would be problematic and it was decided to consider erecting retractable security mesh screens along the verandah instead.

It was noted that the concrete pathway around the pavilion had been laid and would protect the vulnerable drain covers from traffic. Work to level the final section of the carparking area was in hand. It was hoped that Lafarge would donate some aggregate to 'top off' the site.

Committee members discussed the layout of the new booking form and hire rates for the pavilion. It was agreed that the minimum hire period for the kitchen/meeting room would be a half day (6 hrs.), for which the cost would be £35. A sliding scale supplement, up to a maximum of £35, agreed at the time of hiring, would be added for the use of the changing room and shower facilities.

### VILLAGE LUNCH

The next Village Lunch will be on Thursday, July 28<sup>th</sup> at Kilworth Springs Golf Club. Diners are asked to meet in the bar, as usual, at 12.30pm. The cost of the 2-course meal is £7.50 per person to include tea or coffee and mints.

The Village Lunch is an ideal opportunity for those new to the area, living alone or retired to meet new friends in a warm and relaxed atmosphere, or for old friends to catch up with all the gossip!

Call Janice on 880668 to book a place or to arrange transport to the venue.

*Please note: If you need to cancel a booking please try to give at least 48 hours notice so that catering arrangements can be amended.*

### HISTORICAL SOCIETY

The Historical Society's Annual Garden Party will be on Sunday, July 3<sup>rd</sup> at the home of Isobel Pepperill, Vine House, High Street, from 6.00pm. The event is open to all members and friends. Come along and join us for our traditional cheese and wine, strawberries and cream, Pimms and fruit punch; relax in convivial surroundings and catch up on all the local historical gossip!

The cost is £4 per person. Please contact Heather 880165 by Friday, July 1<sup>st</sup> at the latest, to book a place so that we can gather the correct number of strawberries!

\*\*\*\*\*

The programme committee are busy signing up a selection of interesting speakers for the Society's Winter Programme... Watch this space!

### TENNIS CLUB

Enrolment of members for the new season was rather disappointing. The Club has excellent facilities, including a floodlit court, on the Kilworth Road Sports Field, which are open for use by members at any time. Annual subscription, at £35 for adults, £25 for seniors and £15 for juniors, is one of the lowest in the county. A special family subscription is only £70.

For more information please call Mike Pennington on 880455, Neil Harris on 881730 or Jennifer Rogers on 880401.

### ALLOTMENT FEAST

The Husbands Bosworth allotment holders are hosting a barbecue on Saturday, July 23<sup>rd</sup> from 6.00pm at the Welford Road allotments. Barbecue food and salads will be provided but please bring your own drinks, glasses, cutlery and chairs! Tickets are £5 per person (under 12s - £2.50).

For more information or to book tickets please call Cliff and Liza, 3 Berridges Lane, tel. 880878 or 0776 1051100 or Sue Dhillon, Hillcrest House, Bell Lane 881251.

# PARISH COUNCIL NEWS

## Report of the Parish Council Meeting held on Tuesday, June 21<sup>st</sup>, 2011.

Four Councillors were present.

*Mrs. Patricia Hobson was co-opted, and accepted nomination, onto the Parish Council.*

**Minutes of the previous meeting were read and approved.**

### Matters Arising from the Minutes

Council noted that the cemetery paths had been sprayed. Generally the grass work by the new contractors in the cemetery was very good. It was noted that the extra grass cuts on the Village Green areas had improved the appearance markedly and it was agreed to continue this.

Members discussed the storage of information gathered with the Speed Indicator Device. Whilst the amount of information was extensive the actual file size in a digital format was relatively low so it was agreed to monitor the situation regarding long term storage.

### Cemetery

Clerk had still to get a quotation for excavating the soakaway drain.

### Playing Field

Repairs and renovations to the skatepark equipment had recently been carried out.

Following requests from dog owners members discussed the possibility of erecting a dog walking section within the playing field. After discussion it was agreed that any significant area removed from the field for this purpose would impinge on the pitch areas. Council also voiced concerns over suitable access to such a site and difficulties in preventing children accessing the area. Members felt that the village was well served with easily accessed public walking areas, including the Millennium Wood and bridle tracks, where dogs could be exercised.

### Allotments

*[Council members had met at the allotments site prior to the meeting.]* Council noted a number of overgrown plots and the Clerk was asked to write to the plot holders asking them to cut down any weeds before they seeded. It was agreed to produce a plan of the allotments site with plot holders names and delineating their plot boundaries and post this on the noticeboard for information.

### Traffic Issues

Council heard that a dossier of information from the Speed Indicator Device was being produced. Results would be monitored over a further period to enable more analysis and a report would then be submitted to the Leicestershire Road Safety Team with a view to calling for enforcement measures.

### Neighbourhood Watch

Members were concerned that the new scheme for transmitting information was of little use at a local level. Clerk was asked to contact the local co-ordinator voicing Council's concerns.

### Rural Housing Scheme

The meeting heard that the project was still 'live' but that funding may be stalling the project. Clerk was asked to contact HDC to find out at what stage the project was at.

### Correspondence

A letter from the Cricket Club regarding rabbit damage to the pitch was discussed. Council noted that any control measures would be difficult on the playing field due to public access. It was felt that the rabbits were coming in from neighbouring fields and that once the grass was cut the rabbits could be controlled from outside the playing field.

### Any other business

Council queried the recent spate of late working at the quarry. It was noted that this was due to a backlog of orders at the bagging plant. Council agreed to monitor the situation as it was felt that the operations were outside the site's permitted operating times.

Members discussed the lack of information regarding the proposed resurfacing of Bell Lane and Berridges Lane, which had been postponed from March and rescheduled for May but had still not been carried out.

*The next meeting of the Parish Council will be on Tuesday, August 2<sup>nd</sup> at 7.30pm in the Committee Room of the Village Hall. Council members will meet at the Welford Road cemetery at 6.45pm.*

## SCHOOL LEAVERS SERVICE

You are invited to join Husbands Bosworth School, All Saints Church congregation, parents and carers of school children for their School Leavers Service which will be held at All Saints Church on Wednesday, July 13<sup>th</sup> at 2.30pm. The service will celebrate the achievements made by the children during their time at the school and will be an opportunity to say a fond farewell to those who will be leaving.

## COMMUNION

A midweek Holy Communion Service is held at All Saints Church, Husbands Bosworth every Wednesday at 9.15am. This is a short and relaxed, but reflective service. Contact Rev. Andy on 460150 for more information.

## KNAPTOFT SERVICES

Open air services in the ruins of Knaptoft Church continue on Sunday, July 17<sup>th</sup> when the Very Reverend Vivienne Faull, Dean of Leicester Cathedral, will be the guest speaker. We are pleased that such an eminent speaker as Viv has agreed to lead this unique service, in the beautiful grounds and countryside of Knaptoft Church Ruins; a very different setting to the Cathedral! Musical accompaniment will be provided by The Fleckney Silver Band. The service is at 3.00pm and all are welcome to join this special occasion.
