

CRACKING GOOD SHOW!

The weather worked its magic on Bosworth once again and we had a wonderfully sunny day for the fourth Conker Championships. This year, by way of diversion, the event also featured a Welly Wanging competition. Both 'sports' were well supported and it was good to see so many happy and smiling faces, especially from the organisers who faced a dearth of conkers until a raiding party ventured into Northamptonshire...

Ukelele recitals and performances throughout the morning by the Braybrooke +Morris Dancers, burger-butties and various trade, charity and craft stalls completed the scene.

The committee would like to thank the willing band of helpers, both on the day and in the lead up to the event and all those who gave donations or supported the event in any other way. The organisers have been able to send a donation of £650 to Parkinson's UK and further donations are being made to both the Village Hall and the Church Hall.

SUPER-HIGHWAYSURVEY

The results of the County Council Broadband survey, which we promoted in April's Bugle have recently been released. You will recall that we urged villagers to complete an on-line survey about Broadband provision locally, in the hope that the results would encourage investment in faster internet access in rural areas. The survey certainly indicated that across the county subscribers were unhappy with the quality and speed of connection. Bosworth residents responded well with 10 businesses and 54 private subscribers completing the survey, putting the village 14th in the county for responses. Harborough District as a whole fielded by far the greatest responses of all the county's districts.

County Hall now have enough information to put a case to the service providers and are confident that improvements to Broadband provision in rural areas will roll out during 2013.

WELFORD ROAD GO-AHEAD

Planning permission has recently been granted for the 8 dwelling affordable housing scheme on Welford Road.

The project, which is being forwarded by East Midlands Housing Association is currently being assessed for the build contract tender and it is likely that a builder will be appointed shortly. It is anticipated that work will be starting on site early in the new year. A condition of the County Council funding offer is that the project must be started by the end of March.

The homes on this site will be for rent or shared-ownership and, under the rules of the Exception Site Scheme, tenants with strong local connections will be given priority.

CHURCHLANE CONDITIONS

An important condition requiring the developer of the Languard site off Church Lane to carry out a thorough contaminated land survey has been factored into the recent planning consent granted by Harborough District Council planning committee.

The condition requires the submission of a risk-based land contamination assessment along with a remediation statement and verification plan, which must outline how any unacceptable risks will be dealt with. A report must be submitted to Harborough's Environmental Health department prior to the commencement of development.

The scheme will see 3 homes built on the site.

WOOD WORK

The County Council and the Woodland Trust have again joined forces to offer Leicestershire landowners a free, or part-funded, tree planting scheme.

A minimum of ½ hectare of land could make a project eligible for the scheme, and funding will cover up to 75% of costs. If applicants are able to plant the trees themselves there are no costs involved.

The deadline for applications is December 31st 2012.

Find out more information by calling 0116 305 7264 or 0116 305 7221 or e-mailing: sam.village@leics.gov.uk

POSTBAG

From Ruth Meddows-Smith, Berridges Lane

I saw your Danish joke in the *Bugle* and as written Danish is similar to one of the written Norwegian languages I've had a go at translating it: "The man comes home (from) a trip into town and suddenly there's a 'proper' (loud) noise and the man swears. The wife comes ('dares'?) and asks, "What is happening now?" "My shoes are rocking/wallowing" (there's no accurate translation for 'valte') "Yes, but should it be worth making so much noise?" "Yes, I still have my feet in them!"

One of those jokes which are lost in translation, I feel!

■ Lincolnshire Police have reported a spate of sheep rustling incidents in the Rutland border area recently

■ Lincolnshire Police are also urging farmers to secure their storage facilities following the theft of £30,000 worth of grain from an isolated farm store.

■ Agricultural equipment to the value of £40,000 has been stolen in a raid on a secure compound at Kirby Agricultural in Leicester Road, Market Harborough. It is likely that the items stolen may be sold onto the scrap market but anyone being offered cheap agricultural machinery or parts should query its origin.

Tweeting or posting on Facebook your whereabouts and what you are doing may be great for your social circle but you may be telling a wily thief that you're not at home!

DARK NIGHTS CRIME

It is important to give the impression that your house is occupied. Harborough Neighbourhood Watch and local Policing Teams have a number of simple timers that will switch a small lamp, on offer at only £2 each - call in at Harborough Police Station.

■ Ensure that all windows, side gates and sheds remain locked when not in use.

■ If you have an alarm then set it.

■ Fit window and patio-door locks which will deter the opportunist thief.

■ If you are going away ask a neighbour you trust to watch your property for you.

For further advice contact your local Safer Neighbourhood Teams on 101 or follow them on Facebook at Market Harborough Police or on Twitter: @LPLutterworth

HOSPITAL CALL

You will recall that the Fleckney Wildlife Hospital was recently a victim of burglary where the heartless thieves stole the animal cages. Sick and injured animals were released so that the thieves could take the cages, presumably for scrap metal. The hospital is charity-based, is run by volunteers and is entirely funded by donations and sponsorship. This crime has had a huge impact on the day-to-day care of the animals. If you are able to make a donation, or are a business that could help by sponsoring the hospital please contact Jules on 07989574808 or e-mail: juleschelsea@hotmail.com

November 5th

PLEASE MOVE PARKED CARS AND OTHER OBSTACLES OFF THE HIGHWAY ON THESE DAYS SO THAT THE CLEANING TEAM CAN CARRY OUT THE OPERATION EFFECTIVELY.

WASTE REMINDER

◆**BLUE-LID BIN**◆ plastic, cans, tins, glass, cardboard, yogurt pots, margarine tubs, aerosols, juice cartons (including Tetra-paks) and removable INSERT for paper.

◆**GREEN BIN**◆ garden waste only

◆**BLACK BIN**◆ non-recyclable waste only

Food waste collections will stop.

You can keep your old recycling boxes and caddies or you can drop them off at various collection points across the district. (See the council's website for more details).

When the new service begins, the blue-lidded wheeled bin will be collected one week, along with the green wheeled bin. The black wheeled bin will be collected the following week. Collections will then continue on alternate weeks.

QUARRY LIAISON

The next meeting of the Quarry Liaison Group will be on Wednesday, November 7th.

Anyone with any issues relating to the operations at Lafarge's quarry on Welford Road, which they would like to be raised at this meeting, is asked to contact Brian Smith on 880021.

HEARTLINK

The Parish Council has had an encouraging response to the call for villagers willing to join a group to be trained in the use of a defibrillator.

A condition of funding and the provision of the apparatus is that the village should show sufficient support by fielding a group that would be willing and capable of using the device. The greater this show of support, the more likely it is that the necessary funding would be offered.

If anyone who has not already agreed would like to join the group to be trained please call the Parish Clerk on 880910 as soon as possible.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Matthew Bown

From Matthew Bown, Head Teacher

As we approach Christmas we are preparing for a number of changes. Firstly, the Governors have now appointed a new headteacher who will replace me after Christmas. More information will be given in due course. We also have two exciting new building projects due to be completed prior to me leaving.

The first is the fencing around the playground, which will be replaced by a suitable fence in line with the Grade 2 listed status of the school. The main difference will be that it is a little higher, making the playground secure and safe for the children. We will be using the original main entrance on Welford Road as our access for visitors. This entrance will use the panels of original fencing as the frontage. We are proud of the long history of our school and believe this is a fitting and appropriate way to respect it.

The second project due to take place is the extension of our modular building on the playing field. This will mean an extra classroom will be available for teaching. The existing building is to be simply extended by 3 or 4 metres in length.

Along with all of this we will also be putting on our annual Nativity and celebrating Christmas with a church service. We hope we see many of the villagers at these events.

FOBS NEWS

FOBS 100 CLUB

1st Prize £25 - No. 28 Bonnie Kettle

2nd Prize £10 - No. 27 Esther Birrell

We are re-launching the FOBS 100 Club with a Double Christmas Draw in December. Don't miss the opportunity to support the village school with the chance of winning each month!

Look out for the flyer to sign up for only £1 per month. For further information please contact Julie Dove on 881399.

BAG2SCHOOL

The Bag2School collection continues to provide a valuable source of fund-raising for the school. We get £500 per tonne for unwanted textiles collected, so everything counts.

Please sort out unwanted clothes, curtains, bedding, soft toys and shoes and fill up the blue bags, which should be left outside your house (within view) from 10.00am on Saturday November 3rd. All extra bags welcome!

A belated thank-you to everybody who supported the Safari Supper in September. We raised a fantastic £845, which will directly benefit the children of our School.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Many of us will have walked past this part of the Bosworth village street scene dozens of times, but few will have recognised its significance. The pole is in Bell Lane, almost opposite Green Lane, and the corroded tin banding is the significant feature.

During the early part of the Second World War the threat of night-time raids by the *Luftwaffe* meant that blackout regulations were rigidly enforced. All street lighting was switched off at the start of the war in September 1939 and motor vehicles were only allowed to show suitably deflected white lights forward and a red tail light to the rear. Accidents, especially pedestrians killed by motor traffic, soared. To aid motor traffic and pedestrians, obstacles on the roadside, such as poles, road signs, car bumpers, kerbs and even trees, were painted with white markings so that they were more visible in the dark. Wartime photos of Bosworth show a number of poles and road signs around the village marked with these stripes - this one in Bell Lane is the only one left. This would suggest that this venerable telegraph pole is at least 75 years old!

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, October 2nd 2012.

Full Council and two members of the public were present.

Visitors' Questions

◆The Scout group's new chairman, Stuart Dainton, introduced himself to the meeting. He told members that the group was thriving and was keen to integrate into the community. Council noted that the Lease Agreement for the land on which the Scout HQ building was built was due for renewal in the near future and would shortly be calling for a consultation with Scout leaders.

Minutes of the previous meeting were read and approved.

Matters Arising

- ◆Council heard that the new bin collection scheme would start in the week beginning November 19th.
- ◆A number of people had come forward to undertake the defibrillator training course but it was agreed to see if any more would like to sign up before seeking further information.
- ◆Clerk informed members that she was consulting with a contractor regarding the removal of the asbestos dumped at the allotments site.
- ◆Further quotations for repairs and renovation work at the cemetery chapel were awaited.
- ◆Work to stabilise and repair the War Memorial stonework was under way.
- ◆Council discussed the problem of overhanging vegetation on the School Lane bridle path. Some of the vegetation had fallen away from the path. Clerk was asked to consult with Highways.

Cemetery

- ◆Clerk and Mr. Forman had met with the grass-cutting contractor to discuss the damage to headstones and work to boundary hedges. Overgrown hedges would be cut back in accordance with the Job Specification during the autumn.
- ◆It was noted that, despite the exceptionally wet summer, the drainage work in the cemetery extension appeared to have solved the flooding problems.

Playing Field & Play Area

- ◆Council discussed quotations for repairs to the skate park equipment. It was agreed to obtain a second quote for the necessary repair work. Members briefly discussed options for a planned replacement programme for equipment, as much of that on site was now 10 years old. It was suggested that special fundraising events could be used to help pay for new equipment.
- ◆It was noted that the roadside hedges were encroaching onto the footway. Clerk was asked to contact the hedging contractor to see if he could cut these back when he was passing.

Allotments

- ◆Clerk informed Council that one plot was now vacant. *[Editor's Note: This plot is now taken]*
- Mr. Forman had strimmed an overgrown plot and the cemetery-side access track.

Traffic Issues

- ◆Council discussed the effectiveness of the Speed Indicator Device. Members noted that brake lights often came on when vehicles activated the device. The information gathered was being fed into the County Council Road Safety Team system and could be used in any future calls for more enforcement. Generally it was noted that average speeds were below 30mph in the built-up areas, with emergency vehicles probably accounting for some of the higher readings. The problem area was Kilworth Road entry where consistently high readings were recorded.

Rural Housing Scheme

- ◆It was noted that planning permission had been granted for the Welford Road Exception site and that East Midlands Housing were now consolidating the funding.

Accounts

- ◆Funds for setting up the Bosworth Tots group had been allocated and members asked that a report of what the funding had been used for be presented.

Planning & Correspondence

- ◆Clerk was asked to seek the cost of solar lighting systems suitable for lighting a Christmas tree sited on The Green.

Any other business

- ◆Damage to the waste bin in the Millennium Woodland carpark was noted.
- ◆Mrs. Hobson reported that the planned resuscitation course had been postponed due to problems with a suitable time-slot with St. John Ambulance.
- ◆Mrs. O' Connor agreed to represent Council at the Rural West Community Forum.

The next meeting of the Parish Council will be on Tuesday, November 6th at 7.45pm in the Committee Room of the Village Hall.

For the forthcoming Police and Crime Commissioner elections it is important that you are kept informed of the candidates standing for election in the area. Candidates will have different ideas, skills and experience to bring to the role. Information on who to vote for and how they propose to make a difference will be available from Friday, October 26th at www.choosemyppcc.org.uk These are important roles, so ensure you choose the candidate that will tackle the issues YOU care about.

You can also call 0800 1 070708 to order your free paper copy.

Members of the public will have the opportunity to question local candidates at St. Dionysius Church, Market Harborough on Thursday, November 1st at 7.00pm.

The election takes place on Thursday, November 15th.
