

CATTHORPE CONCERNS

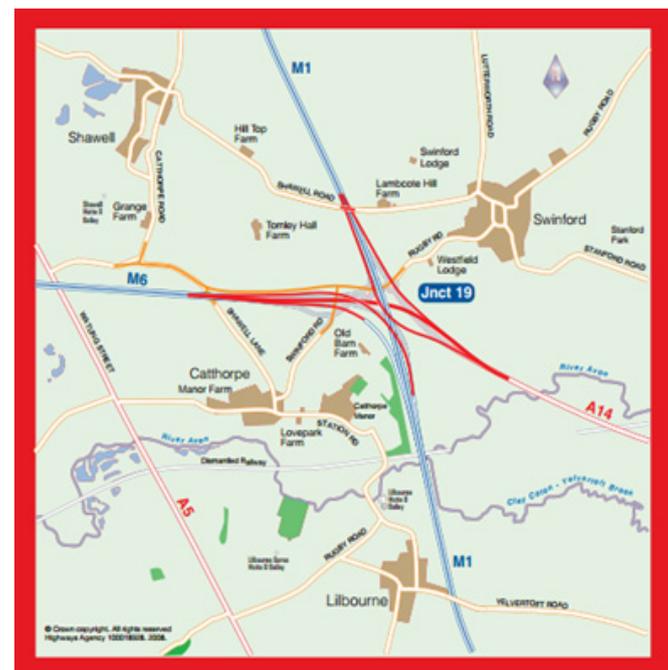

There was conflicting information coming from the recent Caththorpe Junction works presentation at Swinford, relating to the possibility of up to 50,000 tonnes of surplus material being removed from the site. Concerns were raised that any surplus would find its way to local landfill sites, with Bosworth Quarry being a likely destination, as one of the nearest. Villagers are worried that any landfill traffic generated will add to existing problems on the local road system.

However, Skanska, the main contractors, say that a new assessment of quantities and landscaping would see surplus material accommodated on-site.

Work at the junction is already well under way, with off-carriageway works progressing. Lane closures, motorway contra-flows and short-term overnight stoppages are planned to come into force from March 2014 on the M6 and June for the M1. Motorway traffic will be signed off the affected sections, with the M1 designated diversion route being the M6/A426. Complete closures of the A14 through-route are planned to be short-duration and overnight, mainly when work across the carriageway, such as bridge structure, is being carried

out. The local road link to the motorway system will be permanently severed, the infamous double roundabout system removed and direct access from Swinford through to Caththorpe village will be cut, to be reinstated in September 2015.

Meanwhile, Welford residents are concerned about traffic management whilst the interchange work is taking place. Despite contractor's assurances that they will direct construction traffic away from the local road system, the fear is that 'other traffic' will choose to avoid hold ups at the

roadworks. Traffic avoiding the work area by using the minor roads can only be 'advised' by signed diversions, which are likely to be ignored.

With this in mind, the Welford Action Group, supported by their parish council, have requested that a temporary weight restriction be placed on the A5199 during construction. This proposal is currently opposed by council officers and police of both counties.

THANKS FROM THE EDITOR

Let's say a big 'thank-you' to Ralph Horton for devising yet another fiendish Festive Quiz *Bugle*! Ralph's dedication knows no bounds... We know that he often starts compiling the quiz issue in June, whilst he and Jo are lounging on some sun-kissed shore; perhaps not the time most of us would be thinking of Christmas... For his part, your hardworking Editor is thankful for the chance to sit back for a bit, whilst Ralph does most of the leg-work!

We must also thank the rest of the *Bugle* Team for their stalwart efforts throughout the year. The production of the *Bugle* is very much a team effort; without their enthusiasm and sharing of the workload it is unlikely that the newsletter would be produced at all.

We are obviously also indebted to our sponsors and advertisers, whose generous contributions allow us to deliver our words of wisdom, free of charge, to every household in the parish.

Whilst we are in thankful mode we would like to take this opportunity to thank *ImageCopyPrint* of Market Harborough, our printers, for putting up with the Editor's little foibles and producing the finished goods each month, on time, and with unfailing good humour...

POSTBAG

From Janice Staples & Penny Mattock

The organisers of the All Saints Christmas Festival would like to thank everyone who has been involved with the event in any way over the past 12 years. We couldn't have managed without the willing support of the stewards, the ladies who served refreshments, the mince-pie, cake and soup makers and the promotion of the event (with wonderfully designed posters and advertising boards). We are very privileged to have talented local musicians willing to give their time to add to the atmosphere in the church.

Of course, the whole event would have been nothing without the decorated exhibits - we all marvel at the effort and new ideas that appear year after year. Also grateful thanks go to the public who come to see the exhibits and enjoy the refreshments (pork rolls too, this year!) and gasp at the magical 'wow-factor' of the illuminated trees and displays, thanks to the skill and tireless efforts of our resident 'sparks', Tony Ribton. Grateful thanks must go to Belinda Hall for organising the displays and the programme, typing, collating, (making the Christmas cake!) and selling raffle tickets. Thanks must also go to our treasurer, Lorrie Forman who arranges the stewards' rota and works hard in the background. This year the organisers were especially pleased to welcome Penny Arscott and Wendy Cochrane onto the team. Finally, many thanks to all the people and local businesses who have sponsored and helped throughout the years - we couldn't have managed so well without them. This year the amount raised was £1524, which will go towards church funds.

Finally, when we originally had the idea for a Christmas Tree Festival our main aim was to encourage the village community to take part and, if possible, raise funds for the church. Over the 12 years all parts of the community have supported the event with great enthusiasm and more than £20,000 has been raised. Now, after 12 years we are stepping back and are pleased that some 'new blood' will take our place, perhaps with some super new ideas!

From Alison Handford, Alice 'N May

The Alice 'n' May signs are still there but very sadly all the vintage has vanished... Alison has relocated to Kibworth Antiques with her wedding dresses along with selected vintage and retro items. She reluctantly closed shop for the final time and wants to thank everyone who supported her; she says it has been a pleasure to meet so many 'village people'! Kibworth Antiques has a huge car park and delicious cakes in their café so call in for a chat and coffee - Alice 'n' May is just above the tearooms. To contact me email aliceandmay@btconnect.com. Alternatively email sharron@kibworthantiquescentre.co.uk; Sharron Andrews runs the centre and can answer any queries you may have.

The answers will be published on our web site, but please ask any member of the *Bugle* Team if you require a hard copy. Thank you once again.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Louisa Morris

After a very busy Christmas season, we are now entering a new year which we intend to make every bit as rewarding and exciting. Our older children are rehearsing for the spectacular 'Young Voices' event, which will take place at Birmingham O2 Arena towards the end of January. This annual event sees children from all over the Midlands come together for an evening choral performance joined by professional performers.

We have had a number of prospective parents call the school recently to ask about admissions to the school. The deadline for admission for children who will be 4 years old before September 1st 2014 was January 15th. If you have missed this deadline please contact School Admissions on 0116 305 6684 as soon as possible. Application results are not published until April 16th.

If you have not yet had the opportunity to come and visit the school, please do so by calling the office on 01858 880212. You are assured a warm welcome and will see children learning during a usual school day.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

This month's picture from the Archive is a view that we don't have today, and shows some interesting features. The bare ground on the left was where Maurice Elliot's farm buildings once stood. Bosworth developed as a grazier's community and nine farmyards were established within the core of the village, their land outlying beyond the built-up areas. Dairy cows would be brought up through the village for milking but most growing livestock would stay out at grazing during the summer, only coming into the barns to over-winter. Elliot's buildings were demolished to make way for the Mowsley Court housing development in 1976.

The big house in the centre was where the Marsh family lived. They farmed land off the Mowsley bridle track and at Honeypot Farm. The Marsh sisters, spinsters Gertie, Maggie and Tiny, seldom threw anything away and their hoarded 'goodies' eventually formed the basis of the Historical Society's Archive Collection - God bless 'em!

The oak tree in the foreground, which still stands there proudly today, was planted by Mrs. Turville-Petre to commemorate King George V's Coronation in 1911. The green itself was earmarked for the site of the village National School in 1851, with plans prepared and the land transfer agreed before the present site was finally chosen.

LAST RING

After 16 years the Handbell Ringers have decided that they are closing their music sheets. Group members' other commitments and lack of 'new blood' mean that it has become increasingly difficult to raise a regular team. The peal of bells will be kept and stored safely within the village and will be available for one-off events. Of course, anyone wishing to start up a new group in the future will be able to take up the bells again.

Editor's Note: On behalf of the village the Bugle would like to thank bell-captain David Staples for leading the group and the 'retiring' handbell ringers for their fine ringing over the years.

VILLAGE LUNCH

As there was no Village Lunch during January, due to the refurbishment of the kitchens at Kilworth Springs, the February lunch will be a week earlier than usual, on Tuesday 18th.

Diners are asked to meet, as usual, in the bar at 12.30pm. The cost of the meal is still £7.50 per person, for a superb two-course meal including coffee, tea and mints.

PLEASE NOTE: Janice didn't take names for the February lunch at the last meeting so could those who would like to book for this meal please call Janice on 880668 as soon as possible.

PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, December 3rd 2013.

Five Council members and one member of the public were present.

Minutes of the previous meeting were read and approved.

Visitors' Questions

A resident of Green Lane outlined his concerns regarding ivy growing on the roadside wall and damaging his property. He had trimmed some of the ivy to allow better access but he was concerned that it should be the responsibility of Highways. Clerk informed the meeting that the matter had already been referred to Highways and it had been noted that the rootstock originated outside the resident's property. Clerk agreed to follow the matter up.

Matters Arising

Clerk noted that the undertaker had still not replied to her query relating to the period of responsibility for grave maintenance in the cemetery.

No further quotations for the refurbishment work to the Chapel of Rest had been received.

Clerk to contact builders that had been approached originally to ascertain their interest.

No response had been received from Highways with regard to the poor road surface on the A5199 between Sibbertoft turn and Welford Wharf. Clerk was asked to press for a response.

Cemetery

Clerk informed Council that she had now got a firm date for a meeting with the grass-cutting contractors to look into trimming back the overgrown margins.

Playing Field & Play Area

Council noted that an area of subsidence under part of the matting behind the swings had been repaired and that temporary levelling had been carried out in the Play Area car park to fill in the potholes.

Allotments

Clerk discussed a letter received from an allotment holder regarding a misunderstanding relating to the letting of plots. Chairman agreed to send a letter explaining Council's position.

Traffic Issues

Council heard that the Speed Indicator was to be returned to Welford Road now that nearby housing works had been completed.

Rural Housing Scheme

A new date for the official opening of the Knights Close development had been arranged.

Correspondence

A letter had been received from a Theddingworth resident asking for support in their opposition to a proposed wind turbine at Theddingworth Lodge Farm. Council heard that Mr. Forman, as Parish Heritage Warden, had made objections to the proposal. Council would comment after seeing Mr. Forman's comments.

Accounts

In view of the likelihood that the parish will be expected to provide some services presently provided by the District and County Councils, Council members agreed to increase the Precept figure to £27,800.

Any Other Business

Concerns were raised concerning water coming from the sewage plant on Broad Lane and running down to the canal. Although this had now stopped, the flow of water had eroded the already poor road surface. Clerk was asked to contact Highways regarding the matter.

Mr. Forman had attended a Canal & River Trust meeting at which community involvement was discussed. Under their new charitable status CRT were seeking input from local communities, especially in towpath maintenance. Funding was currently being sought for work at Husbands Bosworth and CRT promised to keep Council informed of progress. CRT don't want to start work before funding is secured.

A recent inspection of Butt Lane bridleway had found that the crossing had been cleared by the contractors and that the track, although muddy due to the farm traffic and the weather conditions, was reasonably passable.

Concerns were raised that the street lighting outside Fernie Court had not been repaired. Clerk informed Council that it had now been referred to Central Networks as a supply fault.

The next meeting of the Parish Council will be on Tuesday, February 4th at 7.45pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

The start of February seems a little late to be wishing you all a happy new year, although I do wish you well for 2014. But we are perhaps still early enough in the year to stop and wonder for a moment what this year will hold for each of us. Some of you will by now I am sure have abandoned whatever New Year's resolutions you made - I chose not to make any this year, which does save breaking them... Instead I thought I would wait for Lent and focus then on what needed to change in my life - there is always something which could be different or better. Each year, each season, does bring change or the need for it. Some change happens quite naturally as time rolls on - we become a year older with each birthday whether we celebrate it or not, some change comes as something to celebrate - this year Paul and I will become grandparents with the anticipated arrival of our first grandchild. Other changes might be less welcome, especially when it involves loss, of family members or friends, of a job or income, of home, of hopes and dreams. My prayer for you is that on balance the change that 2014 brings to your life will be for the good, that friendships will be stronger, love of family deeper, forgiveness more readily given and received, and hope for the future increased. But most of all I pray you will know God's love for you, lending you strength, shedding light upon your path and being your companion as you travel through this year. *Liz*

METHODIST CHURCH

Coffee Morning

Wednesday, February 19th
10.00am-12.00noon.

at the home of John & Margaret Scurrah,
25 High Street.

Visitors always most welcome.

Two former village ladies have sadly died recently.

June Elliott, whose husband's family farmed in the village for many years, died in Worthing, where she had been living close to her family. Her daughters, Daphne and Jane, tell us that June passed away peacefully on January 9th, after 2½ happy years in Worthing. The funeral took place on January 24th at Worthing Crematorium.

Donations in June's memory may be sent to St. Barnabas House, Titmore Lane, Goring-by-Sea BN12 6NZ

As we go to press we hear that Olive Gauld, who lived for many years on Welford Road, has also passed away. Olive moved to Lenthall House in Market Harborough after suffering a fall at home three years ago. Son John tells us that Olive celebrated her 92nd birthday at The Wharf Inn just before Christmas. Olive's funeral is at 2.30pm on Tuesday, February 4th at All Saints, Husbands Bosworth. Donations in lieu of flowers to British Heart Foundation.
