

PEBBLE HALL

Although permission to build the two waste recycling and energy producing schemes at Pebble Hall Farm have been given the green light by Daventry District Council, residents of Theddingworth, Hothorpe and Marston Trussell are still hopeful that the proposals will falter.

The site has Environment Agency (EA) permits for the composting and wood-chip operations that are currently operating. However, new permits will be required for the proposed schemes and work cannot start without these.

The members of the local action group, VALID, (Villagers Against Local Inappropriate Developments) who are spearheading the campaign against the schemes are hopeful that the Environment Agency will refuse permission. The group claims that Environment Agency officers are unhappy that planning permission was granted, especially when, as the group claims, current operations on the site have breached the terms of the existing permits on a number of occasions.

The group also notes that the Welland River Trust, which oversees the management of the river, is currently carrying out a survey of water quality along the river between Market Harborough and the source at Sibbertoft, with a view to monitoring wildlife and improving habitats. They expect the Trust to put pressure on the EA to consider carefully the implications of any permission that they may grant, especially where it might in the future compromise the river's water quality.

VALID members were also heartened to note that another waste disposal plant in Northamptonshire, which had been granted planning consent, had been stopped in its tracks by the refusal of an EA permit.

A condition of the planning consent, should the necessary permission be granted and the schemes go ahead as planned, is that a liaison group should be formed to represent all interested parties, including the Environment Agency.

Further information about the permitting and consultation process can be found at: www.gov.uk/environment-agency

PARISH ELECTIONS

It's probably not escaped your notice that we are in a parliamentary election year. What you may be less aware of is that local elections will also be taking place on Thursday, May 7th. This is your opportunity to have your say on who you would also like to represent you at lower levels of government. At parish level it is also a good time to consider becoming a member of your Parish Council. If more than six people are nominated, an election for the Parish Council will take place on the same day. This would be a positive outcome as an election would give the Parish Council a stronger mandate.

The role of the Parish Council is growing year on year and it is being asked to take on more responsibility for providing local services. If you would like to know more about the role of parish councillor, please come along to a meeting, contact any of the current councillors (names and contact details are published in the *Bosworth Bugle*) or contact the Clerk on 880910. Could you be part of your village's future? Would you like to be involved in its development?

Give it a thought and please seriously consider putting your name forward. Nominations need to be in towards the end of March and details about the procedure will follow in the local press, in the *Bosworth Bugle*, on village notice boards and through your door.

FAST LINE

High-speed fibre broadband is getting nearer... Swinford has recently come on-line to the new service three months ahead of schedule. Swinford is the first village in the Harborough area to benefit from a £530,000 investment by the District Council, as part of the Superfast Leicestershire project to roll-out high-speed fibre broadband in rural areas. Work to upgrade the system in Bosworth, with a projected roll-out here this summer, has already started with the provision of a new high-speed cabinet in Wells Close. Two further cabinets are planned for installation on The Green.

PRECEDING PUBLICATION

FRESH START

The new year gives us all a chance for new starts and one new enterprise in the village offers new starts for our younger residents in a fresh, bright environment.

The Dairy Farm Day Nursery recently opened its doors to children aged from 3 months to 5 years. Based in the former Victorian school-house on Church Street, the nursery offers child-care and early learning in a warm and friendly local facility where children can develop freely through a wide range of stimulating activities. Integral within the learning facilities is the opportunity for children to participate in outdoor activities, grow and prepare their own vegetables, go on nature walks and interact with the animals found on Honey Pot Farm commercial dairy unit.

For details call 881038, email: dairyfarmnursery@yahoo.com or call in at 10 Church Street, Husbands Bosworth.

POSTBAG

From Di Jones (All Saints Churchwarden)

On behalf of Rev Liz and the PCC, I would like to thank you all for your support over the theft of lead from the church roof.

We have been overwhelmed by your generous donations, sympathy and words of encouragement. We are still in the planning stage, exploring contractors, new materials and grants, but we hope to be water-tight fairly soon.

From Aneurin Owen, Church Lane

I'd like to take this opportunity to thank everyone for cards and gifts for my recent 90th birthday. Special thanks to Eleanor and Brian Murphy for organising such an excellent party with friends and neighbours at the beginning of December. Many thanks also for the generous donations in lieu of presents to the International Bomber Command Centre (Charity no. 1144182) which is to be located near Lincoln in the autumn of 2015.

From A Disgusted Villager

Dag Lane and around HB in general is suffering from the usual problem of dog poo on the pavements. Please could dog owners be more responsible and pick it up! It is an offence, and if caught you could be liable to a hefty fine.

From Patricia Hobson, (Parish Councillor)

Those who have been following the saga of the extremely poor police response to the theft of lead from the church roof may be interested to know that I raised the issue [at a Parish Councillors' meeting with senior police at County HQ]. Those present, including Police and Crime Commissioner, Sir Clive Loader, were well aware of the lack of urgency of the response, which enabled the perpetrators to get away. Sir Clive apologised wholeheartedly to Bosworth parishioners for what he described as an abysmal response and this was echoed by the Asst. Chief Constable. They further apologised for the tardy follow-up and acknowledged that an urgent response may well have prevented further such crimes in the following weeks. Whilst this doesn't put the lead back on the roof, let's hope that at least it can be used as a 'learning opportunity'.

BILKING THE SYSTEM...

The Neighbourhood Watch Association is urging the public to sign an e-petition that could save a lot of heartache and cost to all motorists. In the past two years 109,000 motorists drove off without paying for fuel, (*sl. bilking*) - a loss to the industry and, ultimately us, of over £30 million. Most of these crimes are carried out using stolen number plates to avoid detection. The e-petition calls for the government to introduce legislation into the MoT scheme to ensure that all number plates are fitted with security screws as a simple deterrent. The estimated cost would be 60p per vehicle.

Go to: www.epetitions.direct.gov.uk/petitions/68647 to register your vote. The closing date is: 30/03/2015 and 100,000 signatures are required to see this petition brought before Parliament.

BOSWORTH IN FOCUS

A ROUND-UP OF LOCAL NEWS

GOLD TOP

Honeypot Farm has been awarded a top accolade for business excellence by Tesco's dairy suppliers group. The farm, which is run by Martin Wade and his sons, George and Ben, with business partner, Cliff Garner, currently runs 400 cows. The annual competition between over 600 Tesco milk producers, through their Sustainable Dairy Group, aims to underline the supermarket's commitment to supplying high quality dairy products from technically efficient and welfare friendly farms.

The judges noted the farm's overall excellence in herd and business management and highlighted outstanding results in production efficiency, animal health and welfare. Running a large-scale dairy unit within the core of a rural village added an extra element to the management of the business at Honeypot Farm and the judges praised Martin and his team for their efforts in promoting good community relations.

CONSERVATIVE ASSOCIATION

The Husbands Bosworth and District Branch of the Harborough Conservative Association will be holding their Annual General Meeting on Tuesday, February 17th at 7.30 p.m. in the Turville Memorial Hall. Everyone welcome.

FLYING TIME...

This item slipped under the radar with Christmas and the New Year issues of the *Bugle* slotting themselves into place, so I'm afraid it's a bit late to the table. It doesn't diminish though in the telling.

Those readers who were around the airfield for the Gliding Club's bonfire bash in November will remember the astounding aerobatic aerial display that opened the evening's festivities. For those who missed it go to: www.youtube.com/watch?v=JAlbquWahTY to be truly amazed!

Whilst we have the Gliding Centre on the line, as it were, we are reminded that the Clubhouse Café is open to the public on Saturday, Sunday and Wednesday 8.30am to 2.00pm. (winter opening times).

CHANGES TO LOCAL POLICING

Parish Councillor, Patricia Hobson, recently attended a briefing at Police Headquarters with councillors from other Leicestershire parishes. The meeting was to present the format of the reorganised Leicestershire Police, both in the light of the large cuts being made to the budget, and also to reflect the changing priorities of policing.

As Patricia reports, it came as no surprise to learn that, with £35.4m being slashed from the county's police budget between 2010 and 2017, the news was not altogether good. As over 80% of the budget is staffing costs, manpower will be reduced by 300. Some savings will be made by reorganising the current local areas and, for example, the current Melton, Market Harborough and Rutland areas will merge into a new Eastern Counties area which will rationalise staffing and services. Changes will occur in February 2015.

There was also some good news, including that non-emergency crime will, if possible, be dealt with in the way the customer prefers, rather than fitting in with standard police procedure. This might mean, for example, that the police will offer the 'customer' a managed appointment, rather than them visiting a police station and then receiving follow-up visits later.

AND THE WINNERS ARE...

A big thank you to those of you who entered our festive quiz this year. In a very close run contest the joint winners were Mike & Beryl Pennington and Jane & Dave Hall, who were closely followed by the Rogers, Clarke and Hobson families.

Our compiler must have been too devious this year as there were fewer entries than normal but, with a combination of bribes and our own donation, we are nevertheless sending £25 to the church towards the roof fund.

The answers will appear in our 'on line' edition, but please ask any member of the committee if you require a hard copy.

VILLAGE HALL QUIZ 2015

Last year's winning team, 'I Am Spartacus', are returning in the role of question masters for the Annual Village Hall Quiz, which will be held on Saturday, February 7th.

Tickets are just £10 for teams of 4. Please bring-your-own drinks. Doors open at 7.00pm and the 'fun' begins at 7.30pm!

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Thanks to Frank Begley for sending me this picture of an idyllic village scene. It shows the row of cottages that still stand at the top of Broad Lane, as they were about 100 years ago. The sign, just visible over the far doorway, advertised 'Bartholomew Begley - Sweep'

William Bartholomew Begley was Frank's grandfather, who married Selina Trusler in 1893. They had five children who, in order of birth, were Rachael, Elsie, Ellen, John [Frank's dad] and Albert. Grandad Begley died in 1931 and grandma in 1945. Although the cottage was undoubtedly quaint, the seven must have been very cosy in their little two-up, two-down home.

As the children left home, Rachael remained unmarried and lived there all her life, until she died in 1990 at the age of ninety.

Frank notes that his dad, John [Jack] was the last one to die, in 2006, at the age of ninety five.

Bartholomew was the local chimney sweep and travelled around the area plying his trade. Jack would recall the times he travelled with his dad to Market Harborough, where they often stayed for several days sweeping chimneys.

Jack obviously appreciated the cosy life because he brought up his own brood of ten boys and a girl at 15 Church Street, opposite the church. Thirteen under one roof!

Later of course, Jack built the house in Church Lane into which they all moved in the 1950s. This was recently demolished to make way for the Gilby Close development.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

It has been very heart-warming to receive the support and generosity of so many people of this village in response to the theft of lead from the church roof. We are very grateful to you all, thank you. Presently we are waiting for officialdom to take its course, having submitted the necessary paperwork in order to apply for faculty to give permission for the repair work to go ahead. We are told it will be fast-tracked as it concerns a theft, so hopefully in the next few weeks the work may begin. In the meantime we hope the tarpaulin will keep out the worst of the weather - we do still need strategically placed buckets inside the church to catch the drips when it rains.

Your support and encouragement through this time has served as a reminder that while the church council has responsibility for the maintenance of the building and are custodians of it, it is to the parish that the church belongs. It is your parish church, to this village of Husbands Bosworth that it belongs and my hope is that you will feel a sense of belonging there, that it holds a welcome for you and an invitation to you. Whether you have already decided exactly what you believe about God and faith or whether you are still seeking, it is a house of faith where we all seek God together and you are welcome to join us in our seeking, learning how to be the Church of God, as in those who are responding to the call of God in their lives, to know him and follow his son, Jesus Christ. I look forward to meeting with you in the coming weeks and months and pray God will bless you and your homes and families, in 2015.

ROOF FUND

All Saints Church PCC would like to thank everyone who has given so generously to the Church Roof Fund. We have raised £4,500 from donations and a further £1,600 from the Christmas Festival. The total of over £6,000 is a tremendous amount. The cost, including the temporary weather-proofing, restoration and professional fees is likely to come to around £12,000. After the insurance pay-out we will still be looking at a considerable short-fall, so any further donations would obviously be most gratefully received.

For more information please contact the Churchwardens, Rev. Liz or the Treasurer, Lorrie Forman

FOUND

Found in church over the Christmas period - purple pashmina with green/brown swirling pattern. If you know who this belongs to please contact Lorrie on 880281.
