

SIGN LANGUAGE

We pricked up our ears when we heard that work to improve road signs in Market Harborough was due to start recently. Leicestershire County Council unveiled plans to remove 58 signs and install 25 re-designed ones around Market Harborough to help reduce roadside clutter and help to alleviate driver confusion.

Here in Husbands Bosworth we would be pleased if the Highways authority could find the money to arrange for someone to scrub our signs up a bit. Our picture shows the parlous state of the Give Way sign at the Welford Road junction.

A few months ago former villager, Graham Eldridge questioned, in a letter to the

Harborough Mail, the legal enforceability of the '30' speed limit signs on the Lubenham Hill approach to Market Harborough. Lo, within days the signs were miraculously scrubbed! Can we get our signs cleaned? Apparently it isn't much of a priority; neither are the road markings that have worn out... Presumably those of us privileged to live out in the sticks should be prepared to put up with grubby and obscured signs.

And what about roadside clutter? Of the Harborough sign rationalisation programme a County Council spokesman said: *"By redesigning signs to incorporate more than one message we will be able to reduce the amount of space they take up on the pavement, which will benefit pedestrians. A reduced number of signs will also reduce the amount of money required for maintenance in the longer term."*

Surely, then, the clutter of signage on The Green is ripe for a cull!

HEARTBEAT

The eagle-eyed reader will have noticed that the defibrillator stickers have appeared on the old phone box on The Green, indicating that the village's defibrillator is now active. The Parish Council is hosting an introduction and awareness session on Thursday June 25th at 7.30pm in the Church Hall but in the meantime villagers can rest assured that the device is live and is now linked to the emergency services.

If an emergency arises the device itself can be accessed by calling 999. The operator will issue a code and instructions that will open the cabinet. Once released from the cabinet the device itself will give concise instructions on how to prepare the casualty, how and where to apply the electro-stimulation pads and how to activate the device. The device will only work if it detects that it has been applied properly and that defibrillation is the safe and correct course of action for the casualty. In essence, it is fool proof!

Come along to the awareness evening and the Community Heartbeat team will demonstrate the intricacies...

POSTBAG

From The Millennium Wood Trustees

Could dog-walkers who use the Millennium Wood please put their poop bags in the poop bins and not the litter bins. The poop bins are emptied by a specialist waste disposal contractor; the litter bins are emptied by us. The 'top' litter bin in particular, which is only a couple of feet from the poop bin, is misused a lot in this way. The poop bin is the RED one! Thank you.

From PCSO 6008 Laura Bolton, Lutterworth Police

You will be pleased to hear that it has been a very quiet month in Husbands Bosworth, with no crimes of public interest to report. The warmer weather appears to be approaching so please don't be tempted to leave windows open when you go out. Police advice would be the same throughout the year, to lock and secure all your doors and windows before leaving the house. Burglars are not choosy about the weather when they are out and about and looking for easy access opportunities to your home. Even if you are staying local and only nipping out to one of the many village fetes and events in the area and won't be out for very long, please lock up... Burglars operate at speed once inside your home and are in and out in moments and usually without neighbours being aware that you have had an uninvited caller.

If anyone is going away on holiday and would like some crime prevention advice before they leave, please don't hesitate to contact us by calling me directly or contacting one of my colleagues at Lutterworth.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

Although this month's picture from the Archive Collection is not very dynamic it does serve to illustrate the original layout of the churchyard and entrance to the church. Before the hairpin bend was straightened in the early 1960s the main entrance to the church was opposite the Hall Lodge, as shown in the picture. The road realignment shaved off a vast swathe

of the churchyard and the opportunity was taken to move the gateway to Church Street. A recent article in the *Leicester Mercury*, 'On this Day - 50 years Ago', described the concerns raised in the village caused by the driving behaviour of the drivers of heavy goods vehicles travelling along High Street following the road improvements.

At the Parish Council AGM in May 1965 villagers expressed their concerns that vehicles travelling on High Street were indulging in 'double driving', which we assume was driving two abreast, or overtaking. Councillor J. R. Knight attributed the practice to the increase in traffic due to the 'extraordinary growth of Corby' and the need for this extra traffic to pass through the village to get to the newly opened M1 motorway.

He also felt that the recently installed HALT sign at the Berridges Lane junction with High Street and the straightening of the hairpin bend by the church encouraged the fast flow of traffic. The Parish meeting duly called for the County Council to install double white lines to discourage overtaking.

The picture was probably taken just after World War I when a Band of Hope march, promoting sobriety and temperance, passed through the village. The banner reads: 'Fear God Honour the Word'

Report of the Parish Council Meeting held on Tuesday, May 12th following the AGM

Minutes of the previous meeting were circulated and agreed

Matters Arising from the Minutes

- Council noted that the upgrading of the footpath between Dag Lane and the Mowsley bridle track had not been carried out. Clerk was asked to raise this matter with LCC.
- No response had been received from Highways regarding the re-painting of the highway markings and cleaning of signage in the village.
- Council noted that Community Right to Bid information had been circulated to members with a view to identifying village assets that would benefit from the protection that may be afforded under the legislation.

Cemetery

- Brickwork, repointing and gutter work of the Chapel of Rest had been completed. Work to seal the carriage doorway to the southern aspect would be undertaken when funds allow.
- Quotations were being sought for repainting the railings on the front wall. Remedial pointing around the railings had been carried out. Clerk was asked to ascertain if the pathways had been sprayed.

Playing Field & Play Area

- A villager had volunteered to paint the goal posts on the practice pitch.
- Now that the grass cutting season had commenced it was noted that an inspection should be undertaken to ensure that the work was being carried out as per the contract, especially with regard to the field margins.

Allotments

- Clerk informed Council that all plots were taken and rents paid. However, a couple of plots were not being tended and Clerk was asked to write to the tenants regarding the letting conditions that plots should be maintained in a productive, weed and rubbish free condition.
- A skip for rubbish would be provided over the Whitsun Bank Holiday weekend.

Traffic Issues

- Council noted increasing traffic congestion outside the entrance to the Supermarket forecourt. Concerns were raised that the problem would be likely to get worse when the store was opened. It was agreed to monitor the situation.

Rural Broadband

- No further news had been noted for the proposed High-speed Broadband connection to Husbands Bosworth. It was noted that cabling appeared to be being carried out at North Kilworth and that South Kilworth had apparently been connected.

Defibrillator

- Council agreed to host a defibrillator awareness evening on Thursday, June 25th in the Church Hall

Correspondence and Planning

- No further information had been received relating to the proposed Welford Road development.

Co-option of Councillors

- Two villagers had expressed interest in joining the Parish Council. It was agreed to invite further interest and ask that prospective candidates reply in writing to Council. Closing date for Expressions of Interest will be June 14th 2015.

Any other business

- Council noted that part of Broad Lane had been resurfaced. Clerk was asked to contact Highways to ask if the lower part was to be completed.
- Members closed the meeting with a general discussion regarding the allocation of Community Infrastructure Contributions from recent and future developments within the village. It was agreed to formulate a five-year plan of community projects that would be eligible.

The next meeting of the Parish Council will be on Tuesday, June 2nd at 7.45pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

From the Rectory

First of all Thank You. Thanks to all those who collected and all those who gave to Christian Aid. From this village we raised more than £400 which is being added to the amount raised across the benefice – final total still awaited, but a goodly contribution. Thank you. When we see the pictures of the suffering in Nepal following the recent earthquakes, or the dire poverty of women and children in many African countries, we know it will go to help those in great need. We pray that in Nepal there will be no more quakes or tremors and that they will be able to start the long hard slog to rebuilding their communities.

Secondly, a request to those of you who pray. Would you pray for our newly elected politicians and councillors? Whether they are the people you voted for or not they are now elected into positions of responsibility and have a job to do which is likely to affect the communities in which we live. We need them to be equipped for that work with wisdom, integrity, compassion and truth, and they need protection from undue pressure on their family and home life. In his letter to Timothy in the bible, St Paul urges 'that petitions, prayers, requests and thanksgivings be offered to God for all people; for kings and all others who are in authority, that we may live a quiet and peaceful life with all reverence towards God and with proper conduct.' Let's support them through our prayers, that they may be the best that they can be and serve our community well. *Liz*
