

BIGGING-UP BOSWORTH

You may have heard of the Neighbourhood Plan. Backed by the Parish Council, it is the blueprint for the future development of our community.

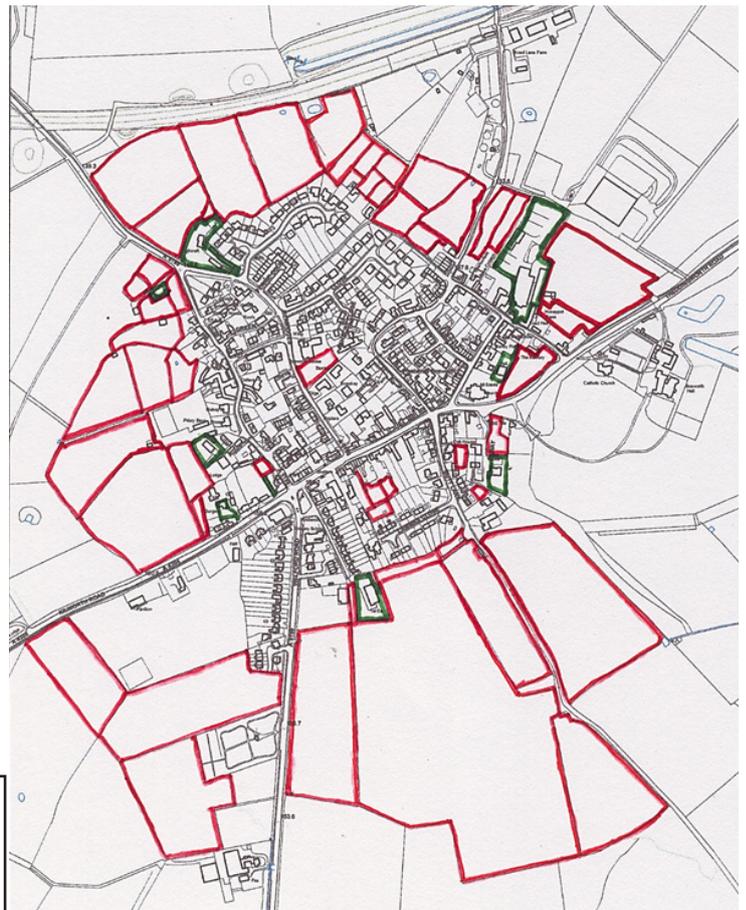

The Neighbourhood Plan Advisory Committee; the group tasked with drawing up this vision of Husbands Bosworth and shepherding it into legislation, have been rubbing their crystal ball and looking into the future to see how our community is likely to look in 20 or so years time.

That Bosworth will grow is inevitable; location, we are told is everything and with Bosworth being so well located and served it's obvious that developers are going to focus their attentions here. Where that growth is likely to manifest itself is reasonably predictable; the village could expand on all fronts - graphically illustrated, as we note here, when plotted onto a map.

That these sites have been identified in a desk-top survey certainly doesn't mean that they will satisfy normal planning rules, or indeed any other constraints that would see them progress, but there's no doubt that developers will be fishing for sites and spotting the same possibilities...

The Neighbourhood Plan gives us a chance to head off speculation and to say what we value. It lays down our aspirations and how we want our community to look. In the Vision Statement the Plan declares our intent to encourage development that protects the character, heritage, environmental and visual amenity. A Plan that encourages a natural mix of housing development, employment opportunities and social and leisure facilities that will ensure the future sustainability and viability of our community.

If you are concerned about how Bosworth is to develop and would like to get involved in shaping the future of our community, come along to the next Plan meeting on Monday, October 23rd at 7.30pm in the Committee Room of the Village Hall.

SLOWING DOWN BOSWORTH

The School's new 20mph speed limit signs have recently been erected. The signs on Welford Road, High Street and Kilworth Road are remotely controlled by County Hall and are programmed to activate during school opening and leaving times, during term-time only.

POUND-STRETCHER

The 'old' pound coin, which has been around since the dawn of time (well, 1983!), is being withdrawn from circulation and replaced by the less-easily counterfeited 12-sided bi-metal one.

The Treasury reckons that there are over four billion of the old one pound coins lurking in jam-jars or squirrelled away somewhere out of circulation. So, if you have any sitting at home or in your wallet, you need to spend them or return them to your bank before **October 15th**. From this date businesses will no longer be obliged to accept them. However, High Street banks and the Post Office may still exchange them, but only for a limited period.

BUGLE POSTBAG

Former villager, Ann Saxton, would like to thank all her friends in Husbands Bosworth for the messages of condolence on the recent passing of her husband, Chris. Special thanks to those villagers who attended the Service of Thanksgiving for Chris's life. Chris had been battling Parkinson's Disease for a number of years, and finally succumbed to the disease after a short spell in hospice care.

From PCSO Peter Willson, Lutterworth Local Policing Unit

PC 1261 Cooper and myself visited the village of Husband Bosworth recently, where we undertook a mini Traffic Operation concerning seat-belts, mobile phone use whilst driving and speeding. Five vehicles were stopped and the drivers were spoken to, and given verbal warnings of their conduct. There were no issues of Notice and no enforcement action was undertaken on this occasion. Local residents we saw appeared to be happy at seeing our presence and supported us.

From Esther Taylor, Honeypot Lane

I was involved in an accident a couple of Fridays ago when turning right into Honeypot Lane. It was about 5.00pm and a driver went into the back of me as I was waiting to turn right. Imagine how I was extremely perturbed, when exactly two weeks later I was nearly hit at the same junction - this time by a motorcyclist trying to overtake me again whilst I was waiting to turn.

Have fellow residents had similar experiences and can we put any pressure on Leicestershire Highways to review the 30mph speed limit placement in order to ensure traffic has properly slowed by Honeypot Lane?

BOSWORTH IN FOCUS

A TASTE OF BOSWORTH

'The Spoons' Granola

An adaptation of a delicious granola given to me by a wonderful B&B on the Isle of Skye. Will keep for a couple of weeks in an airtight jar.

Ingredients

75g butter

75ml honey

250g oats

250g mix of your favourite nuts & seeds [I use a combination of pecans, pistachios, cashews, sunflower and pumpkin seeds.]

100g dried cranberries

Method

Preheat oven to 140°C. Melt butter and honey in a saucepan. Mix all other ingredients in a bowl except for the dried cranberries. Pour on the butter and honey mixture and combine well. Spread out evenly on a large baking tray. Bake in the oven for 35-40 mins. - stirring occasionally to brown evenly. Remove from the oven and allow to cool.

When cool mix in the dried cranberries and serve with natural yogurt and fresh berries.

BABBLE OF NASEBY

The last visit of the 'Babble of Naseby' revue group to Husbands Bosworth was so well received that we have invited them back again! They entertained us with their eclectic mix of slick, co-ordinated readings, stories and quips that will have you laughing, crying or contemplating your navel (and occasionally the navels of others!).

Their shows include some serious and thought-provoking pieces ranging from Shakespeare to Spike Milligan, but the overall tenor is that of light-hearted entertainment and a sense of fun.

This year's show, 'Time Lines', will be showing on Saturday, October 28th in Husbands Bosworth Village Hall at 7.30pm. Tickets £5 are on sale from Springfields Supermarket or from Sam Bell 881713.

WILD ABOUT BOSWORTH

European Mole - *Talpa Europaea*

Freshly excavated mounds of earth at the western edge of the Millennium Wood are evidence that a mole has taken up residence. These small creatures spend their lives underground, digging tunnels which act as traps for their favoured food - earthworms. Burrowing creatures are termed 'fossorial' and moles are superbly adapted to their lifestyle. Increased red corpuscles and haemoglobin in their blood help them cope with the low oxygen levels in the tunnels, their fur can lie in any direction so it doesn't hamper movement and one of their wrist bones even grows into an extra thumb, turning their forelimbs into more effective shovels.

They have very poor eyesight but compensate with ultra-sensitive touch sensors in their nose, 'Eimer's Organ'. When they catch a worm that has fallen into their web of tunnels, they first immobilise it by biting off its head. Then, they either tuck into the worm or store it in a larder where it stays fresh for months. To avoid eating mud and grit, they draw the worms between their claws to squeeze out their stomach contents.

They pursue a reclusive existence and violently defend their territories. Except during the breeding season, the females actually produce testosterone to intensify their belligerent nature. In the spring, males dig long straight tunnels across the landscape in search of partners and, after meeting, they spend an hour or so in nuptial harmony before resuming their solitary lives. The strategy plainly works, as there are over 30 million moles in the UK. Those of us of a 'certain age' will recall Jasper Carrot's diatribe regarding a mole in his garden. In his rant, he threatened to bury the mole alive if he ever managed to catch it!

SULBY GARDENS

Sulby Gardens will be hosting two Apple Days this autumn, on Thursday, October 12th, 1.00pm to 4.00pm and Friday, October 13th, 11.00am to 4.00pm, when visitors will be able to wander around the orchards and gardens.

Light refreshments will be served in the old apple-store. Proceeds are in aid of the National Gardens Scheme. Entry is £4; accompanied children free.

The last Open Day at Sulby Gardens for this year will be our Late Autumn Colour Day on Thursday, November 16th.

CAMERA SHY

We hear that the Road Safety Speed Camera in North Kilworth has been earning its keep recently... After a long period when it was inoperative, the camera was recommissioned last year and has been particularly busy catching out speeders in recent months.

SMOKE SCREEN

There was concern recently following an incident at the Pebble Hall Farm recycling site when material stored in an enclosed area caught fire.

Although this incident was brought under control quickly, villagers in the 'firing line' in Theddingworth and Hothorpe are concerned that the facility, being in a remote rural location, should have a more robust fire protection and control scheme on site. The worry is that a fire could get out of control, as was the situation in 2012 when a fire enveloped the area downwind in smoke and fumes for 5 weeks.

SCHOOL REPORT

HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL Head Teacher Alan Eathorne

A new school year begins and we are pleased to welcome families back to the school as well as meeting the new children and families. We look to building on the successes of last year as we continue to learn and develop in order to offer an excellent education to the children and families.

Having been successful with a government funding bid for school improvement, we have updated the heating system in the main school building which has meant replacing the boilers and oil tank. You may have also seen that finally the 20mph speed indicators have appeared in the village. The school and FOBS raised the funds for these to be placed installed and we hope they help to keep us all safe when we are out and about in the village at school times. We have also announced that the open morning for next year's intake will be on October 10th but if anybody would like to have a tour of the school before or after this date then please contact the office and we can arrange this.

FOBS NEWS

A big thank-you to the fourteen teams who battled it out at the recent FOBS Family Trivia Night, and congratulations to the Kendalls who scooped the winning prize. Enjoy the cinema voucher!

A great time was had by all and we are very pleased to have raised £400. Thanks for all the donations of prizes and help and for helping to raise money for school projects.

HORTICULTURAL & CRAFT SHOW

We report much the same show as last year, with the horticultural section slightly down in entries, partially offset by the crafts and, especially children's entries. We had 51 exhibitors (55 in 2016) and 238 Entries (249 in 2016). There was a very good turnout of people simply visiting to look at and sample what was on offer.

The trophy winners were:

| | |
|---------------------------|-------------------------|
| Overall Points Winner | <i>John Dawson</i> |
| Best Exhibit in Show | <i>Jenny Cousins</i> |
| Best Vegetable Exhibit | <i>John Dawson</i> |
| Best Allotment Exhibit | <i>Theresa Phillips</i> |
| Best Flower Exhibit | <i>Aneurin Owen</i> |
| Best Flower Arrangement | <i>Jennifer Rogers</i> |
| Best Bakery | <i>Brian Murphy</i> |
| Best Preserves | <i>Karen Roffe</i> |
| Best Craft Exhibit | <i>Jenny Cousins</i> |
| Best Art Exhibit | <i>Jo Owen</i> |
| Best Photographic Exhibit | <i>Paula Roddy</i> |
| Best Children's Exhibit | <i>Tia Ascough</i> |

Many thanks to our sponsors, bakers, helpers and especially the Village Hall Committee, and to FOBS for the refreshments.

BYGONE BOSWORTH

Images from the Historical Society's Archive Collection

This picture, courtesy of villager, Nick Bradshaw's drone footage, gives us a unique glimpse back in time...

It shows the line of the old road, with the kerb and even the white line, clearly exposed when Nick recently excavated Bosworth

Hall driveway, outside the Lodge gates.

The line of the original road proscribed a tortuous corner until the road was straightened in about 1960. The bend was notorious on what was, at that time, the A427 Trunk Road, the corner being so acute and narrow that there was a mirror on the Lodge wall to warn traffic of what was approaching from the opposite direction.

In straightening the road, an extensive range of outbuildings and stabling belonging to the old Queen Anne rectory, and the rectory itself were lost, along with a vast swathe of the graveyard.

Husbands Bosworth C of E Primary School

Open Morning

Tuesday 10th October 2017

9.15am until 10.15a.m.

Are you looking for a school for September 2018? Have you already selected Husbands Bosworth C of E Primary School as one of your places?

We invite you and your child (if you wish to bring them) to join us for our open morning.

What is happening:

- A tour of the school and chance to feel the warm, welcoming atmosphere.
- A chance to speak to current children, staff and governors about their experiences at the school.
- Your child will have the chance to experience the classroom they would be in next year and take part in some activities.

Contact the office on 01858 880212 to confirm your attendance.

HISTORICAL SOCIETY

Husbands Bosworth Historical Society will be welcoming back our old friend, local historian and author Brian Johnson, for our next meeting on Wednesday, October 4th. Brian will be taking us on an illustrated tour of Leicestershire and asking: "Who do you think lived in this house?". Brian will tease out some surprisingly well-known and colourful characters who have lived locally. The meeting is at 7.30pm, in the Sports Pavilion, Kilworth Road.

As usual non-members are welcome to join us for the meeting, when a door-charge of £2.50 is requested.

The Historical Society meets on the first Wednesday of each month from September to April, in the Sports Pavilion. Annual subscription is £12.00.

CRAFT GROUP

The Craft Group meets on the second Wednesday of each month in the Committee Room of the Village Hall. This is a friendly and informal gathering where craft-minded people can pick up new ideas and practise their craft in a relaxed atmosphere away from the distractions of home life.

For details contact Gail on 880413.

VILLAGE LUNCH

The next Village Lunch will be on Wednesday, October 25th at Kilworth Springs Golf Club.

The Village Lunch is a great way for those new to the area, recently retired or living alone to meet new friends in a relaxed and warm atmosphere. Due to rising costs the cost of the two-course meal, including coffee and mints is now £10 per person. Call Janice on 880668 to book a place or for more information.

MILLENNIUM WOOD

Volunteers to help maintain the village's community woodland are invited to join the group at the next work party morning on Saturday, October 21st.

The group tackles scrub clearance, pathway maintenance and conservation work within the woodland on the third Saturday of each month and would welcome new members who have a couple of hours to spare. All you will need is enthusiasm and stout footwear! Refreshments are served mid-morning. Meet at the Woodland, Mill Lane, off Kilworth Road at 9.30am

SCOUTING IN BOSWORTH

1st Kilworth Air Scouts is in need of new leaders, about 2-4 adults, to take the section forward. Air Scouts meets on Thursday evenings, 6.30pm - 8.00pm, at the Gliding Centre and is very much like our regular Scouts troop, but with some of its activities focused on aviation. Former experience is not necessary - just a desire to share in young people's fun and adventures, from camping to learning about aeronautics. Also you might have skills that will benefit Air Scouts and 1st Kilworth as a whole. There will be plenty of support, such as training and working together, every step of the way to help you become a great Scout Leader. PARISH COUNCIL NEWS

Report of the Parish Council Meeting held on Tuesday, September 6th 2017.
Three Parish Council members and Assistant Clerk, Claire Sheriff were present.
(Apologies for absence were received from James Shelley and Sue Fisher)

There were no Visitors' Questions
Minutes of the last meeting were circulated and approved

MATTERS ARISING

- No further bids for S106 funding had been forwarded.
- Work to repair and replace equipment in the Skatepark had been carried out.
- A tentative enquiry concerning the use of the Sports Pavilion by a Leicester-based cricket team had been received previously. The Chairman would seek further information.
- Two allotment plots had been relinquished and would now be strimmed and cleared.

NEIGHBOURHOOD PLAN

■ Mr. Forman gave a brief report on the progress of the NP. He stated that an Awards for All grant application had been turned down but following discussion with the Lottery funding office it was agreed to re-submit the application, as changes to criteria brought our project more in line with the requirements of the grant. Mr. Forman reported a poor response to invitations from the community to help with the NP process and steps were planned to engage villagers more by promoting the project more intensely. The themes, or chief sections of the Plan had been agreed by the Advisory Committee and it was hoped the community would get more involved, informally, as the project progressed.

CEMETERY

(Members had met in the cemetery prior to the meeting)

- It was agreed to arrange for the north doors of the Chapel of Rest to be painted and the door and framework to the verger's store at the rear removed, to open it out as a weather-refuge for visitors to the cemetery.
- It was noted that the pathways would need weed-spraying before the winter.

TRAFFIC ISSUES

- Council noted the poor state of the footway of Welford Road between Station Road and Welford village. clerk was asked to report this to Highways as a safety issue.
- Council noted that the school 20mph warning signs had been installed.

S106 FUNDING

■ Council noted very poor response from village groups and organisations regarding Section 106 developer funding but continues to seek suitable projects in order to build up a 'wish-list'.

CORRESPONDENCE

■ Members discussed correspondence from the Scouts regarding the wording of the ground-rent Lease Agreement for the Scout HQ. Council would need to refer back for legal clarification.

PARISH COUNCIL WEBSITE

■ Members discussed at length, content, options and costs of setting up a website. Several options were discussed. Mrs. Hobson agreed to lead on the matter and seek further information.

STAFFING MATTERS

■ The Chairman formally welcomed Claire Sheriff to the permanent post of Assistant Parish Clerk, subject to a probationary period.

■ Council noted that Mrs. Bozena Kuncewicz, as Clerk to the Neighbourhood Plan Advisory Committee, was contracted only for the duration of the formation of the Neighbourhood Plan, which was expected to be 18 months to two years.

ANY OTHER BUSINESS

■ Council agreed to re-grade the Play Area car park to fill in the pot-holes, as a 'stop-gap' measure. A more permanent solution would be considered once the doctors' surgery had moved to the new premises and traffic into the car park lessened.

NEXT MEETING

The next meeting of the Parish Council will be on Tuesday, October 3rd at 7.30pm in the Committee Room of the Village Hall.

CHURCH NEWS

All Saints Parish Church, Methodist Chapel & St. Mary's Roman Catholic Church

FROM THE RECTORY

How do you feel about promises? I guess most of us have made promises at some time, and maybe we have had promises made to us. I was told as I was growing up not to make a promise I couldn't keep – promises need to have integrity, at least the intention that we will make them good if we can. Though I guess we are all guilty of sometimes breaking a promise, maybe by no fault of our own, when circumstances change or are taken out of our hands. Maybe we have been let down when a promise made to us was broken.

Sometimes a promise comes with conditions - if you will do this, then I will do that – these might be covenants, when a promise is made on each side. Some of God's promises are like that, - if you will put your trust in me, then I will bless you and your children. - if you confess your sins, I will forgive you. Seek first the kingdom of God and his ways and he will provide the things you need. All these and thousands more promises are in the Bible, and some of them are unconditional promises - that God loves us always, that he will forgive all who turn to him, that he will provide for those who trust in him, that he will give his Holy Spirit to those who ask. The promises are there waiting for us to claim them. We make promises in many areas of life and of faith. In marriage we promise to be faithful to our spouse, in baptism we promise to follow Jesus or enable our children to know him and follow him, in confirmation we make an adult decision and promise to follow him. The people who are the church make promises too, to help people to learn and grow in their faith, to help parents to bring their children up in the ways of faith and love. It is our intention with our Promise Keepers Service, at 4.30pm on the fourth Sunday of each month that we try to make good our promises to those who have been baptised and also to welcome those who would like to know Jesus to come and explore. We welcome all who will come and join us in this informal interactive service with activities for the children and conversation for the adults and we promise to try and make it fun! *Liz*
